

DECOY BUS STOP

... Every week several people are taken in by the Melton bus bench on Perron Street beside the Bruin Inn. They wait patiently and when the bus drives by without stopping they stare with amazement and if they're quick enough they run it down when it stops for the stop sign at St. Anne Street. Unfortunately many are not fast enough off the mark and miss it. Wouldn't it be better public relations for the city and Melton's to move the bench around the corner on the south side of the Bruin where it would be a great deal more practical?

MPC agrees with Westcon expansion

St. Albert Municipal Planning Commission supported a request for an expansion and addition to Westcon Construction Products, 19 Riel Drive at the regular MPC meeting Tuesday afternoon.

Westcon makes concrete products and its manager Allan Chase presented plans for the expansion which include a 2,000 square foot extension on the east side of the building.

The request has been tabled by the MPC and has been set for its next meeting to allow the owner time to consider the needs of the MPC.

Chairman of the MPC Barry Breadner said that St. Albert had plans for Red Willow Park a near \$2 million redevelopment of city park area by the river; Westcon would have to take care of landscaping and screening if the development was to go ahead, Mr. Breadner suggested.

Mr. Chase said the firm would like to do that but it would be difficult to get the fill and to clean it up.

Mr. Breadner emphasized later that St. Albert would have to be "fairly demanding on screening and aesthetics."

In other MPC business, Richard Fowler representing seven of 13 landowners in the Green Grove area off Sir Winston Churchill Avenue, told the MPC they had been asking for input into the land study for the area.

This involves a plan for an office commercial development and a small apartment for seniors.

A motion from MPC member Bill Shields was

carried and it went to the effect that the Green Grove design brief should be returned to the planning department, with the request that they obtain input for residents in the Green Grove area.

Mr. Breadner wanted the proposal tabled for two weeks so that the interested parties could acquaint themselves with it.

Mr. Fowler said he wanted more input from people in the area in the form of "public meetings or public hearings, whatever you want

to call them."

Ian McDougall, architect, was before the commission with a proposal for a 9,600 square foot two storey sports complex on River lot 53, immediately east of the LBH Hardware Centre.

This proposal got the support of the MPC, and the proposal was carried subject to certain technical considerations.

MPC ended its session with a discussion on the names for parts of the new Woodlands subdivision be-

ing developed by Qualico.

Apparently Qualico want the subdivision called the Woodridge Estates.

Then a motion from the MPC that the Woodlands area have three distinct neighborhoods each with a separate name was carried.

Mr. Breadner said he wanted the name Woodlands kept for the new area east of St. Albert. Also a motion was carried requesting that two of three names in the new estate retain a historical flavour.

There's good music talent in city

A crowd of over 200 people took in the final night program of the 2nd annual Kiwanis Music Festival at the Sir George Simpson School Friday night.

They watched and listened to the top talent from the 2,100 entrants in the festival and also saw many of the contestants winning scholarships and awards sponsored by local businesses.

Pianist Shauna Hite won \$150 for top performances in that category, the awards sponsored by the St. Albert Bank of Montreal, Morinville Hardware, with \$100 coming from the T.E. Fitzgerald Memorial fund.

Another large prize went to Nelda Schulte for the best vocal performance overall. The \$100 award was donated by Northward Airlines Limited.

Wendy Wallbank shared a prize with Shauna Hite for the best piano duet.

The St. Albert Community Band came away with the best band trophy donated by

Molstad and Company Limited, with the Albert Lacombe choir taking the best choral award from the Kinsmen Club of St. Albert.

Another top vocal performance prize, given by LBH Home Improvement Limited went to Susan Iginia and the Kiwanis trophy for the best piano performance was well taken by Shauna

Hite.

The Albert Lacombe Choir won a \$50 scholarship from Graham Realty Limited for the best choral performance.

Bruce Ferguson won a \$50 scholarship for the best trumpet performance from the St. Albert Branch of the Royal Canadian Legion #271.

Carmen Corbett won a \$50 Please Turn to Page 2

"Second class wages" raise city workers' ire

St. Albert's municipal employees, members of CU-PE Local 941, are somewhat less than happy with their present arrangement with the city. In the last two years, there has been an 80 percent turnover amongst the city's workers. Only five of the city's 83 employees have worked for the city for more than seven years.

According to Tom Molnar, president of Local 941, the reason for the high turnover lies in the fact that wages paid by the City of St. Albert are not on a par with those of other municipalities. Mr. Molnar points out that a top operator in St. Albert makes

\$6.35 an hour, while a labourer, for the City of Edmonton, with no specialized training, makes \$6.60. A top operator in Edmonton makes over \$8 per hour.

Mr. Molnar also comments that the high turnover is due in part to the members relationship with the city's middle management, whom he described as "always pushing."

On Wednesday, the conciliator for Local 941 will meet with representatives of the City of St. Albert. Should these negotiations prove unsatisfactory, the union will take its case to arbitration.

RCMP swoop, but no names released

Five men have been arrested in St. Albert this week in connection with drug and theft offences, one involving thefts up to \$8,000.

No names and addresses of the persons charged or arrested have been given by the RCMP and they say they will be releasing them next week.

When asked why they could not release any further information a spokesman for the RCMP said, "I can't tell you."

One of the five men was arrested Saturday after failing to deposit money which had been entrusted to him in the day's business receipts.

No information was available on which business. The release from the RCMP says that upon a search of the man's vehicle, \$1,500 worth of stolen property was

seized.

RCMP then searched his residence and found \$2,000 more in stolen property and \$5,000 worth of cheques belonging to businesses.

Three men have been arrested and charged with break, enter and theft after members of the RCMP St. Albert detachment caught them inside a show home in St. Albert.

Investigations showed the men were also involved in other show home thefts in St. Albert. Value of the property seized was in excess of \$1,500. The arrests were made Saturday.

Friday a man was arrested by the St. Albert Highway Patrol and charged with the possession of a narcotic for the purpose of trafficking.

Six vials of liquid hash were seized.

District 6 will look at attendance areas

At tonight's regular meeting of Protestant School District 6 trustees will be presented with recommended attendance areas by District administration.

The two new schools in the District - W.D. Cuts and Wild Rose Elementary - will mean children will be able to attend schools nearer to their homes. Except for those students at Junior High School age living in Akinsdale. These students will be bused to Lacombe Park where they are to attend W.D. Cuts.

Elementary age children in the Akinsdale subdivision will attend either Sir Alexander Mackenzie or Leo Nickerson.

W.D. Cuts School will also accommodate all students in grades 5 to 9 inclusive living in Mission Park and Lacombe Park.

Wild Rose Elementary will house kindergarten to grade five. The attendance area includes houses 52 to 85 Gainsborough Ave., Glenwood Cres., Georgia Pl., Gould Pl., Glacier Pl., Grey- Please Turn to Page 2

scholarship from Canada Safeway for the best piano performance in the 11 and under category.

Kathy Goodall won \$25 for the best woodwind performance and the donation was awarded by the St. Albert Women's Institute.

Kim Wolff was awarded \$50 for the best vocal performance in the 14 year old and over category and the prize was dnated by Calgary Power Limited.

In other awards, Jackie Dooke won \$25 from Panich under.

Lindsay Hodges won a \$25 Bank of Montreal scholarship for the best piano performance in the 11 year old and under category.

Martha Schuchard won the \$25 Neil J. Flynn (Imperial Oil) scholarship for the best performance in speech arts.

In the final night program there were notable performances from Karen Borlo, violin solo, Virginia Gale,

junior vocal solo.

Others who caught the ear were Conrad Schulte, accordion solo and Carmen Corbett piano solo.

Shauna Hite demonstrated why she won the \$150 in scholarships with some excellent piano playing and Nelda Schulte impressed with the senior vocal solo. Lisa Joly did well in the musical theatre solo.

Music Limited for the best organ performance. Shelly Buma won \$25 from Lacombe Park 66 for the best vocal performance 14 years and

stone Pl., Glenhaven Cres., Greenbrier Cres., Gatewood Ave., Grandin Village, Grandview Ridge, Greenfield Estates, houses numbered 26 - 54 (even) and 7 - 39 (odd) on Grenfell Avenue.

Wild Rose will also take in kindergarten pupils (where space permits) from Mission and Lacombe who cannot be accommodated at Ronald Harvey School.

Some flexibility will be permitted regarding attendance at Robert Rundle and Wild Rose for those living on the boundary line.

Paul Kane will handle all senior high students and will no longer accommodate grade nines.

Around Town

It was a black day indeed for male chauvinist puggery. The contest was an epic one. The stalwart Duff Jamison, chief espouser of the Woman as Incompetent school of thought, versus an unknown but stalwart female. They faced each other on the badminton courts last week, with tension thick in the air. Jamison was confident however, despite being laid up with a bum leg for two winters in a row, he was sure his pathetic amount of

remaining strength would be enough to humiliate whatever 'bit of fluff' was in opposition. However, the tables turned - the fluff was Duff's! He was soundly thrashed by his opponent, and he was later seen crawling away, limp with mortification. Needless to say, the female 'incompetents' who do the real work around the Gazette were delighted. -- And Duff has been uncharacteristically silent on male superiority."

Newcomers plan fun hop

The Welcome Wagon Newcomers Club suggest that local residents roll up their jeans, put on their bobby socks and sloppy sweaters and come on down to the Community Hall on Friday, April 28 for the club's "Happy Days Hop."

Dancing goes from 9 p.m. - 1 a.m. to the music of Steve Anthony - Disco Unlimited,

and a box chicken dinner will be served at midnight. Admission is only \$5 per person, so come out for a nostalgic evening of fun and frolic - everybody's welcome!

Tickets are available from any member of the executive, or phone Darlene Ross at 458-6403 or Linda McDonald at 458-3633.

Games official tours facilities

St. Albert's bid to host the 1979 Summer Games was carried a step further this week when Max Gibb, Director of the Alberta Games Council, made a tour of inspection of St. Albert athletic facilities.

Mr. Gibb was chauffeured

around the town by Ald. Bill Shields, with City Administrator Bob Byron and Mayor Ronald Harvey acting as tour guides.

There are two other contenders to host the Games in '79, but from all accounts, St. Albert is very much in the running as the site of the summer athletic contest. An announcement will be made "very soon" concerning the awarding of the hosting job, according to Ald. Shields.

Is a very nice feature of this immaculate 1200 sq. ft. bungalow, this home also has a beautiful large kitchen with built-in dishwasher, a lovely brick fireplace enhances the living room, a mirrored feature wall compliments the dining area. For viewing call Fran Rothermel 459-4461 or 459-3016.

Fire severely damages home

An estimated \$50,000 damage was caused in a house fire April 5 at the Glen York residence, 13 Spruce Crescent in St. Albert.

Two people were burned, one seriously, in the fire which got the local fire department out at 9:25 p.m.

Elsie York was burned on the back, and at the time of the fire had been having a shower, but was evacuated safely from the house.

Mrs. York was admitted to the Sturgeon General Hospital for treatment to her

burns.

Mr. York received slight burns to the hands, according to the St. Albert fire department.

Cause of the fire was "combustibles being too close to the hot water burner."

At the height of the fire "flames were shooting across the lawn."

St. Albert Fire Chief George Todd said two pumpers, the ambulance and a rescue unit were at the blaze, and "my own car."

ST. ALBERT'S NEW Fire Chief, George Todd, is getting the feel of his new department. So far he still awaits his uniform, which he hopes to get soon.

New city assessment reflects soaring prices

The City of St. Albert is currently making a new general assessment, the first since 1965. The residential assessment has now been completed and the commercial-industrial assessment will be finished by the end of this month. The fact that land and construction costs have soared in that period is news to no one, but at Monday night's meeting of council, City Administrator Bob Byron revealed the extent of the increased assessment. Mr. Byron told council that a home with an assessed value of \$8,500 in 1965 now has an assessed value of \$38,000. He commented that the updated assessment provided the city with more realistic figures.

Members of the public who question their assessment will be able to make

inquiries to the city's assessors at an evening meeting to be held at a later date. A brochure explaining the assessment procedures and their result will be circulated later, to all homeowners.

The dollar and cents impact of the new assessment on the homeowner will not be known until council strikes its budget, a process currently underway. Regarding the budget, Ald. Barry Breadner commented that the new budget would have to deal with cost increases which were beyond city control. He cited police costs, new recreation facilities and the increased demand for social and recreational services. He stated that some tax increases would be necessary because of these increases.

Bus fares set

Pupils riding the bus to school in the Protestant School District will be paying a slightly higher fee when they return to school next fall.

The new fares are \$40 a year per pupil and \$80 a year per family. This is up from \$30 and \$60 respectively and represents the Board's support of a user pay philosophy. Even so the total revenue projected from the increased fares will only cover about \$60,000 of a total \$250,000 expenditure.

After January 31 fares will be reduced by half. Refunds of half the total paid will be made to students or families who move from the district prior to February 1 or move to a location within the District that does not require busing.

Harsim Construction's low bid was accepted by the Board for construction of eight portable classrooms at W.D. Cuts School. Bids ranged from \$310,266 to \$380,372.

Sewers concern Mission resident

A Mission Avenue resident, John Mitchell, appeared before council's committee of the whole Monday night to express fears about the possibility of a sewer back-up damaging his home. Mr. Mitchell told the council that this had happened in 1976, and that he had paid \$5,000 to have repairs made to his rec room. Mr. Mitchell referred to a recent article in the Edmonton Journal which questioned the efficiency of back-up valves. Mr. Mitchell said he feared the addition of houses in Lacombe Park would put a strain on a sewer line which he said was already heavily taxed. He asked council what measures other than daily monitoring the city was taking to prevent flooding, and asked that his concerns be answered in a public meeting.

Ald. Barry Breadner told Mr. Mitchell he had discussed the matter with the city engineer, who has assured him that changes had been made to eliminate the flood threat. He pointed out that the additional houses in Lacombe Park would not affect that sewer line as lines

for that area ran between Lacombe Park and the railway track. He said he would give Mr. Mitchell a copy of the city engineer's report on the matter, which would answer his questions.

St. Albert's new fire chief

A former vocational councillor and social worker is now St. Albert's Fire Chief.

Forty-eight year old George Todd took over March 23 from the former fire chief C.A. Purnell.

Mr. Todd has 21 years experience as a company officer with the Hamilton, Ontario fire department, the position being the equivalent of a captain in the St. Albert force.

Mr. Todd left the Hamilton

force in 1972 and by 1974 had completed an MSW (Master of Social Work) degree.

Before coming to St. Albert Mr. Todd had been working as a vocational councillor.

He now has 22 men working under him, in the St. Albert Fire Department and its ambulance service.

Mr. Todd's wife Joan should join him in June as well as his daughter Janice.

Ladies fill Cancer fund coffers

On Friday and Saturday, April 7 and 8, the Grandin Mall was the scene of a "frontal attack" by members of the Ladies Auxiliary to the Royal Canadian Legion, Branch 271. The ladies were at the Mall to take part in the crusade against cancer.

Within a short time of their arrival, many shoppers bore evidence of the auxiliary's powers of persuasion. Bright yellow daffodils adorned lapels, signifying that the wearer had been "button-holed" by an Auxiliary member, and had seen fit to donate to the worthy cause. Many donations were received and are still in the process of being tallied.

Madame President Shirley Sorsdahl, would like to thank everyone who took part in making this year's fund drive a valuable effort.

THE DAFFODIL DIVISION

... When this cheerful but determined troop of women joined forces at the Grandin Shoppers Mall last weekend, it was good news for the cancer fund raising crusade. All are members of the Ladies Auxiliary to the Royal Canadian Legion, Branch 271, or are volunteer cancer canvassers. From left to right are Joyce Barton, Sheila Cooper, June Kendel, Doris Gratrix, May Vereschagin, Michelle Lealand, Eleanor Lealand, Joanne Cockwill and Shirley Sorsdahl.

More Kiwanis Music Festival results

Following is a list of more results in the Kiwanis Music Festival held in St. Albert April 5, 6 and 7.

City taking census of volunteers

National Volunteer Week will be observed at the end of April and although St. Albert has always been known for the involvement of its residents, a "census" of its volunteers has never been taken.

In an effort to find out just how many people are contributing in a volunteer capacity, organizations affiliated with the City are being asked to send in the names and addresses of people considered to be volunteers.

Presidents, chairman and secretaries change and even with the best of intentions the right contacts may not be made. It would therefore be appreciated if any office-

bearer who thinks that his or her organization is not being included in the "census" would submit names and addresses of volunteers to

City Hall, St. Albert. Please mark the envelope "Volunteers." (There is no further commitment or penalty involved).

Trade Fair set to go

Admission to the Trade Fair will be only 50 cents per person.

Four booths will be selling such food as hot dogs, pop, candy and ice cream.

The major door prize is a trip for two to San Francisco. Also many individual booths offer prizes.

The trade fair is sponsored by the St. Albert and District Chamber of Commerce.

The third annual St. Albert Community Trade Fair will take place May 5, 6 and 7 in the St. Albert Arena, Perron Street.

Sixty-five commercial booths will have displays ranging from sports equipment to landscaping, from cars to ceramics.

Also eight non-commercial booths will be used by clubs and service groups including the Commonwealth Games Foundation.

The Trade Fair is an opportunity for local businesses to display their products and services to the public.

Professional entertainers will be performing each day including a magician, barbershop quartet and an organist. Also a fashion show sponsored by the Grandin Shoppers Park Merchants will be a highlight on the Sunday.

L. Col. Norm Lynch given Queen's Medal

A well known St. Albert resident was honoured yesterday at an investiture at Government House in Edmonton. L. Col. Norm Lynch was among a group of military people who were presented with Queen's Jubilee Medals for their long and distinguished service to Queen and country. The presentation was made by Lt.

Gov. Ralph Steinhauer.

L. Col. Lynch has served the military for 27 years, with 17 years in the regular forces and 10 years in the reserve. He is now Commanding Officer of the Service Battalion Reserve in Edmonton and has been in the logistics corps all his military life.

A St. Albert resident for 13 years, L. Col. Lynch lives

here with his wife Donna and two children, Liana, 15 and Terry, 14. Mrs. Lynch is director of the Royal Life Saving Society and herself has received a number of tributes for her work in this field.

Norm Lynch is particularly well known in St. Albert in youth circles, as he has worked extensively with the Air Cadets for many years.

St. Albert lore to be offered

An informal evening of stories about early St. Albert will be offered at Akinsdale Clubhouse Monday, April 17, at 8 p.m. The clubhouse is located opposite Amber Crescent on Alpine Boulevard.

The stories, to be related by Heritage Officer Mrs. Wilf Borgstede, emerged from her two years of research into old records and newspaper files.

Coffee will be served.

St. Albert Historical Society, host for the evening program, reports that a few copies of "The Fort on the Saskatchewan" are still available. This finely documented resource work by Dr. Peter T. Ream of Fort

Saskatchewan United Church received the 1974 Regional History award from Alberta

Department of Culture. The book may be obtained by telephoning 459-8601.

Cancer drive Monday

About 135 St. Albert volunteers are all ready to go on the Cancer Blitz Monday. Co-ordinated this year by the Anglican Church the canvass is aimed at \$14,000, up slightly from last year.

Most of the funds raised in Canada go to Cancer research all across Canada in a program designed to assist a wide variety of research. Funds raised in the Edmonton Metropolitan region are directed to the specific

research areas being carried out at the University Hospital and the Cross Cancer Hospital.

Welcome your St. Albert volunteers - they are doing an excellent service for our community.

People are also reminded to have regular check-ups since cancer caught in its early stages is much more easily treated. Watch for any skin changes or lumps and see your doctor, say the volunteers.

PRAISE FOR MUSIC FESTIVAL

A word of praise for the second annual St. Albert Kiwanis Music Festival which ended in the Sir George Simpson School Friday night.

In that final night program where some of the more noteworthy performers in last week's festival showed their paces on flute, piano, or with their voice, more reason was given for this festival becoming a permanent part of the St. Albert cultural scene.

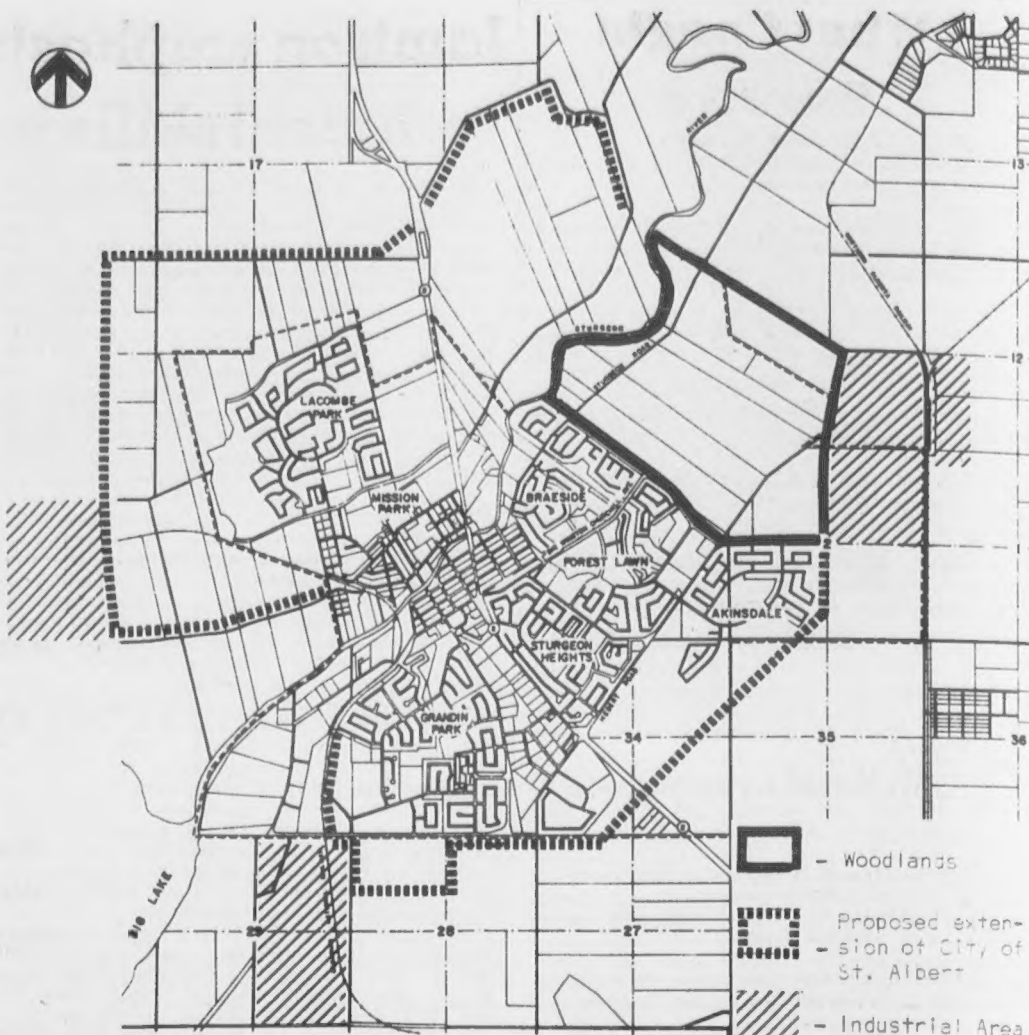

This was no bunch of amateurs - about 450 enthusiasts took part in the festival - but some of them are clearly going to be the professional musicians of the future.

Those with a musical bent should be looking for Shauna Hite in three or four years time for this young pianist has lots of talent.

Shauna will be in British Columbia this summer with the \$150 she won in scholarship money going on furthering her musical education some more.

The 200 plus people who were at the Sir George Simpson school were genuinely taken by the musical skills shown by local talent and some of it sounded as good as any music you are likely to hear even in the Big City down the road.

As usual CJCA's Bob Arnold, did a fine job of emceeing the proceedings.

PROPOSED WOODLAND DEVELOPMENT

... Sketch map shows the Woodlands area in relation to the developed portion of St. Albert. Woodlands came into St. Albert with the Allarco annexation a number of years ago and is now owned by Carma Developers. The northeast sector across the river from Woodlands is the proposed Bellerose Park Plan, owned by St. Albert Investments and encompassing 1728 acres. The northwest sector of 1905 acres to the southwest is owned by BACM. As indicated these two sectors are outside the present city boundaries.

Woodlands plan will come to city council next week

The Woodlands Outline Plan for development by Carma Developers of about 755 developable acres east of Sturgeon Road and stretching out from the Braeside and Forest Lawn subdivisions, will come before St. Albert council meeting of April 17. Development would be staged from 1977 until

1985 and would eventually accommodate in the neighborhood of 11,000 - 12,000 population. The updated Woodland Plan was approved in 1977 by both St. Albert council and the Edmonton Regional Planning Commission.

Sturgeon Road would be realigned to provide a park dedication from the developers along the Sturgeon River, with 13.5 acres between the river and the road retained in the plan for a country club.

The original outline plan prepared by Rockliff Partnership - Architects - Planners was for 945 developable acres. The reduction came about through the city's decision to take out the province-owned land in the northeast portion, formerly considered for a university site, plus the river parkland area. The government land is shown as possible future recreation area, and the Rockliff report states that "Discussion between the Landscape Consultant and Alberta Parks, to whom the lands appear to have reverted, indicate that the Department would favour this river lot to be held in parkland for eventual use as a large regional park, particularly with reference to its character and location relative to the Sturgeon Valley."

The outline plan will however continue to take the

natural features of this parkland area into account in the design of the reduced area. It would appear that the utmost care has been taken to ensure preservation of native woodland areas and a natural wooded-water area at the terminus of a major drainage system, along with planning to integrate the community with the natural landscape in every way possible. The rolling terrain affords opportunities for some excellent views of the river valley which have been taken into account in the design.

Woodlands will be linked to St. Albert by extensions to Sturgeon Road, Sir Winston Churchill Avenue and the Boudreau Road corridor and Hebert Road. Eventually an extension of 149 Street to the north (Campbell Road) is planned and a river crossing on Boudreau. The Harries report notes that the cost of building arterial roads through Woodlands could be accommodated without any cost to St. Albert's present residents. This would be

accomplished by having the costs shared by the developer and the Provincial Government through grants to the cities for arterials. The St. Albert Transportation Study, says the Harries Report, indicated that an additional \$17.0 million would have to be expended outside of Woodlands for arterial roads, of which \$9 million would come from grants. Part of the expenditure should be allocated to Woodlands according to the report, and using assessment as a basis, 29 percent of \$8 million was allocated to Woodlands.

Part of the discussion with council may revolve around the number of units to be allowed in Woodlands, taking into account a declining rate of people per unit. City policy is for an 80%:20% ratio of single family to multiple family in the development.

Woodlands abuts the Campbell Industrial Park on the east side, where lower cost housing would appear to be desirable.

What Caught Our Eye

REPOPULATE ZOOS WITH HUMANS

LOS ANGELES - Artist Lowell Darling is running for governor on a beastly platform.

Human beings should become stand-ins for animals, he proposed Wednesday, dressing up in feather or furs to keep the zoos operating, thus freeing the animals to go back to the wild.

"The idea came to be after the recent tragic death of Bubbles the hippopotamus," said Darling, who has filed as a candidate for the Democratic nomination for governor in the June election.

"I propose that all wild animals be returned to their original homes - the jungles, forests, rivers.

"I recommend that in their place we commission artists to make wild animal costumes and hire the unemployed to wear them.

"Or people could serve time in the animal costumes as an alternative to prison or jury duty...somebody could be the rear end of the zebra one day and something else another day.

"Besides, the unemployed learn tricks quicker than wild animals, so the trainers won't have to constantly be jabbing them with sticks."

ARE THESE MY TRACKS From Wheat Pool 'Budget'

"WHEREAS the cost index of commodities and services used by Western farmers has risen by 51 percent in the past ten years; and

WHEREAS during the ten-year period, grain prices have declined to the extent that the purchasing power of a bushel of wheat, oats and barley is at the lowest point it has reached since the depression of the late thirties, and

WHEREAS the imbalance between costs and prices, usually referred to as the cost-price squeeze, has brought about the most serious economic conditions faced by Western grain farmers since the depression prevailing at the outbreak of World War II;

We, the undersigned, hereby petition the Government of Canada, etc."

This excerpt is taken from the opening paragraphs of a petition to the Prime Minister of Canada, March 10, 1959. The occasion was a "March on Ottawa," a western farm delegation of more than 1,000 to Ottawa. They carried a petition signed by over 303,000 prairie people.

The 1959 On to Ottawa petition was to impress on the government the need for deficiency payments on farm products, especially western grains. Deficiency payments schemes were not extended to grains, and prices did not advance to any great extent until 1972. The intervening years did see a number of government-industry actions concerning grain marketing, pricing, two-price systems and so on. The grain income stabilization plan is the newest.

It is interesting to note a statement by Unifarm President Howard Falkenberg regarding existing stabilization programs. In a release dated March 17, he points out that some federal agriculture stabilization programs cannot even meet the "stop loss" objective for which they were designed. The reason, says Falkenberg, is that the plan offer compensation at a level of only 90% of prices averaged over the last five years. They do not recognize steadily increasing production costs.

If the wording in the 1959 petition seems very familiar (except for the cost index figure) and Unifarm's reaction seems timeless, we should not be surprised. It sometimes helps to stop and look back at the road we have travelled. Perhaps we have come full circle.

SUITOR REALLY FELL FOR GIRL

VANCOUVER - Police said Patrick Kouchnir was attempting to scare or impress his girl-friend when he fell from the window ledge of her 23-storey apartment into a swimming pool.

A hospital spokesman said Kouchnir, 24, was in stable condition with internal injuries and there were no broken bones. Falling into about a metre of water in the shallow end of the pool helped break the 64-metre plunge.

"He must have kicked against the building when he fell," a police spokesman said. "He landed in the pool, which is eight feet from the building."

Police said the fall from the apartment tower was accidental. The girl-friend tried to help Kouchnir get back inside the apartment but he slipped and fell.

Police said the man's shoes came off at the edge of the pool but there were no visible bruises when he was pulled from the water.

Jamison emphasizes transportation, technical skills in budget speech

Speaking in the budget debate on March 31, St. Albert MLA Ernie Jamison had some harsh words for the combined contributions of the opposition to this debate which he called "irresponsible." "The opposition," Mr. Jamison said, "would have this province follow the road to ruin: spend, spend, spend. Fritter away our resource revenues, take care of everybody from the cradle to the grave."

Noting that the budget address by the Hon. Merv Leitch brought home clearly the fact that Alberta holds a most favourable position in our country, Mr. Jamison said it must be remembered that all of Canada is fortunate in its abundance of natural resources: rich agricultural plains, forest and mineral resources, water and water power, fisheries and excellent harbours. "That is why," he said, "that so many could say with confidence that the 20th century belongs to Canada."

Mr. Jamison went on to point to unemployment of more than a million Canadians with little hope for improvement in the near future. "Bounded on three long coastlines by oceans," said Mr. Jamison, "Canada does not have a great ship building industry, does not employ modern technology in gathering and processing fish, cannot get carloads of grain to waiting ships for committed overseas sales. And Canada has not gone after her northland resources and their enormous potential."

Not only that, said the St. Albert MLA, Canada is further and severely crippled in trying to compete in the modern world and he quoted from the budget address: "Canada has moved beyond wage parity with the United States after accounting for exchange rate movements, yet our productivity is less than 80 percent of the productivity of our major trading partner." "So much for the directions in which the NDP, with their labour support, and the socialistic federal Liberals have led us."

He attributed the difference between Alberta and other areas of Canada to the Alberta Government's sound management of resources and finances.

TECHNICIANS - TRADES PEOPLE NEEDED

Referring to work going forward to establish a petrochemical industry in Alberta which will provide jobs for our young people, Mr. Jamison said we face a very serious shortage of skilled technicians and tradesmen. "Our universities and colleges will have to respond with a change in emphasis and with developing an attitude in our young men and women as to the value and rewards to be gained by following careers geared to the economic needs of the province. "It has become clear in less advantaged provinces, he noted, "that a university diploma is in fact

no guarantee of a job." He supported government effort and budget assistance for technological research, but said there is no doubt that we cannot put teaching in university classrooms at the bottom of the priority for any professor. In this connection Mr. Jamison suggested that if government is going to accomplish its goals in technological and trades training for young people, it may have to face the issue of tenure head on.

The MLA approved of the high priority the government has placed on transportation, particularly roads and airports - "a necessary investment in Alberta's economic and industrial development." He said he could not agree with those that have called roads in northern Alberta "Roads to nowhere." "Who could be so shortsighted as to call the northern part of our Province 'nowhere?' Mr. Jamison said that since his election in 1971 he had always supported a policy of roads before development. Roads cost enormously less money, especially in periods of prolonged inflation if they are built before development takes place," he said. "This is why I support a proposed west by-pass of St. Albert." All the former government left us was a bunch of lines on maps.

GROWTH CONTINUES

Referring to ERPC growth studies and immigration coming into Alberta, Mr. Jamison said a conservative figure for the year 2000 would be a million new residents in Alberta, with about 40 percent settling in the greater Edmonton region. St. Albert, he said, has invested millions of dollars in a sewer line from the city to the North Saskatchewan River, a line which when upgraded is capable of accommodating 200,000. He also noted that St. Albert has access to water from Edmonton with its new water treatment plant capable of serving two million people. "There is no doubt that the province is going to grow, Edmonton is going to grow and St. Albert is going to grow - therefore I think a west by-pass at the present time - before development - is very logical.

Mr. Jamison also said he was sick and tired of those who continually harp about foreign investment and large corporations which have taken risks and invested capital

because they believe in the future of Canada and Alberta. "Where would we be without their investment and their expertise? We would be running the Tar Sands, for example, like the federal government runs the post office."

At the same time he warned of the danger of over-regulating small business. The same regulations needed to control big corporations can stifle small business, said Mr. Jamison. "Alberta will build and is building its own entrepreneurs, but it cannot be done by giving the boot to big business - it will be done by

co-operation between big and small, and both kinds of businessmen know this, he added.

He concluded by noting that he had emphasized the importance of transportation investment in a country as vast and thinly populated as Canada. Transportation is a vital key to healthy development and realizing our potential. "I would just like to add," said Mr. Jamison, "that this budget has also shown the government's real concern for people, particularly those who most need our help: senior citizens, handicapped people and single parent families."

- 'TIRING' BUT A GREAT DEAL OF FUN -

... Grandin Park Tire Playground is still in the early stages yet but this minor fact doesn't appear to concern this energetic bunch of youngsters. The tires which are being stored by the City are proving to be quite an attraction even before the Grandin Park Tire Playground Committee incorporates them into the playground destined for Father Lacombe School grounds. The group is preparing another newsletter to update area residents on activities to date which should be circulated soon. In the meantime anyone who would like to donate a little volunteer help on June 3, construction day, can phone Carol Shaley at 459-4258 for further information.

C-Day for Larose playground

Larose Community Play-ground Committee has received word from the designer, W. Weisz, of Playgrounds Inc., that construction day will be June 10. June 9 is set aside for

preparation, planning and training of volunteers who will head the project. The following day, all volunteers assemble for the actual construction of the entire playground which will be

located in the southwest section of the Bertha Kennedy Community School property. In addition to volunteer help and donations of tires, etc., money is needed to pay for the design and the designer.

A dance, Jean Jive Disco, will be held at the St. Albert Community Hall on Saturday, April 22. Tickets at \$6 each are available from the school (458-6101) or by

calling 459-7314. The admission price includes prizes and a chicken supper. Residents of Lacombe Park and other areas will have an opportunity of not only helping with a worthwhile project but of having a great time with their friends and neighbors. Advance sale of tickets is necessary so that the correct amount of food is ordered.

Air Cadets in Review

Last Thursday's parade night proved varied and interesting. Summer Camp information has been coming in and names were being taken for the many camps offered to cadets. As well, last Thursday, film slides were shown of past Camp Wright exercises and these were very much enjoyed by all.

On Friday, April 7, #533 RC(AIR)C ventured to #699 Squadron Jasper Place to compete in a friendly game of basketball, volleyball and bordenball. Teams were very evenly matched which made for interesting competitions. #533 lost basketball, but won

in the other two events. The scores were all very close and the evening finished with refreshments being served to all cadets and officers in attendance. We would like to extend our thanks to #699 Squadron for hosting our Squadron and showing us a very enjoyable evening. Regular parade and classes will be the schedule for this Thursday as well as the continuation of Summer Camp applications. All cadets having joined prior to December 31, 1977 qualifies and may give his name to Lt. Devine, if he or she is interested in attending a summer camp. Camps are held at varied times during July and August and are located at Penhold and Camp Wright.

Extra drill team practices were held on Sunday, April 9 at the Community Hall and will be held Monday and Tuesday evenings as usual. The importance of attendance at these practices cannot be stressed enough. Please attend all practices if you are a member of the Jr. or Sr. drill team, competitions are very close.

Any cadet not able to attend regular Thursday evening parade is requested to call the Administration Office at 459-7277, between 6:45 and 7 p.m.

Vandalism report before Protestant board tonight

St. Albert District 6 administration's report on vandalism will once again come before Board members at tonight's regular meeting.

The report, praised by Trustee Wes Penner as reflecting very careful and thorough study was tabled at the Board's meeting of March 22 when Trustee Gary Hodgins expressed the opinion that a closer review was necessary and that the public should have some input.

Trustees Shirley McCaffery and Scott Friese agreed and voted with Trustee Hodgins to have the motion by Trustee Penner tabled.

Superintendent Elmer Gish pointed out to the Board that the 'Project Incentive Pilot Study' was a separate recommendation and could still be moved on. The pilot study was developed in response to a Board resolution following a look at it in an earlier stage a few weeks ago.

Each school involved in the project (Paul Kane, Lorne Akins, Sir George Simpson and W.D. Cuts are recommended) would be allocated funds based on \$1.50/pupil minus the costs of vandalism for the previous 12 month period. Costs occurring outside of school hours - 8 a.m. - 6 p.m. - would not be included.

Trustee Hodgins again felt that a little more time given to studying all ramifications of the project would make it an excellent program rather than a good one. He moved to table and was supported by Trustees Friese and McCaffery.

'Project Incentive' and the other nine recommendations concerning vandalism will come up tonight in 'unfinished business'.

The following is a list of the nine recommendations:

1. That the Board take steps to inform the community of its concern about the presence and impact of vandalism in St. Albert and indicate its willingness to work with other community groups to bring the problem under control;

2. That the administration initiate a District-wide educational program directed toward students and the public as a means of attempting to reduce the number of acts of vandalism, and, over a period of time, eliminate some of the causes

of vandalism.

3. That damage to District property or premises be repaired as soon as possible or practicable after the damage occurs.

4. That the feasibility of employing daytime custodians with maintenance responsibilities be explored.

5. That schools built in the District in the future be designed in such a way that their vulnerability to vandalism be reduced or eliminated.

6. That all schools in the system be provided with external perimeter lighting.

7. That schools be equipped with internal security gates.

8. That purchasing specifications take into account the need for vandal-proof furniture and equipment.

9. That wherever it is feasible and a clear advantage would accrue existing glass be replaced with poly-carbonate glass substitutes.

Parish parents support centralized kindergarten

At a special well attended meeting on April 5, the Parish Kindergarten received strong support to remain centralized. This means that for the 1978-79 school year the St. Albert Parish Kindergarten Society will be operating its non-denominational kindergarten at the same location (on Madonna Drive north of the Mission tennis courts). All children will be bused to the kindergarten location.

Now that the decision to remain centralized has been made, definite busing plans are being worked on by the board of directors. Presently there are 250 children attending the kindergarten with eight regular classes and two French immersion classes. Next year the French immersion kindergarten classes move to Father Jan School so that they can benefit from the close association with the grade one French immersion. The classes will be in School District #3's system.

Registration for the Parish Kindergarten is now underway. Registration forms may be picked up at the library of School District #3 office on St. Vital Avenue.

FARM AUCTION SALE

For John Helfrich & Paul Mercier
Legal, Alberta - Tuesday, April 25 - 1:00 p.m.
Located from Legal Corner on Hwy. No 2 - 2 miles west

Outstanding set of Machinery & Trucks for John Helfrich:
*1976 Ford 600 Truck w/14 ft. Grain Box and Hoist, 9:00 x 20 Rubber, 4 & 2 speed, 1100 actual miles; *1975 Ford F350 Truck w/12 ft. Grain Box & Hoist, V8-390 - only 23,000 miles (new cond.); *White 2-150 Field Boss Diesel Tractor w/air cond., cab, radio, tilt steering, 23.1 x 34 rear rubber, (only 250 hrs.); *White 5542 S.P. Combine w/cab & chopper, Melroe Pick-up (Brand new cond.); *Renn 2000 - 15 ft. S.P. Swather w/6 cyl. eng. (brand new cond.); *Melroe 201 - 6 x 28 Run 14 ft. Double Disc Press Seed Drill w/fertilizer attach. (brand new cond.); *New Carrier for the above drill; *White 281 Heavy Duty Tandem Offset Disc - 17 ft. 10" (brand new cond.); *White 26 ft. Vibrashank c/w 3 Bar Mounted Spring Tine Harrows (brand new cond.); *Farm King 35 ft. 6" Grain Auger w/12 H.P. Koolher elec. start eng. (as new); *Plastic Grain Auger Hopper & 3 - hyd. Rams.

"Please Note" all the above equip. was purchased new 1976 - and was used to put in only 600 acres of crop - Has been shedded. Mr. Helfrich is moving to USA - Everything will be sold.

Machinery for Paul Mercier: Mr. Mercier sold his land last year and is retiring: *1965 Fargo 400 series Truck w/like new 14 ft. Grain Box & Hoist, 8.25 x 20 rubber (good); *White 4-150 Four Wheel Drive Tractor w/air cond., cab, dual wheels, cat power, only 670 hrs. (brand new cond.); *White 7600 S.P. Combine w/cab & chopper (excellent); *White 504 - S.P. 16 ft. Swather on duals (used one season); *Alteen 21 ft. Look for the Travel Alberta Holiday Passport in your mailbox soon

Your Holiday Passport will be delivered right to your home in the next week or so. And it's yours to have fun — Stamping Around Alberta.

Just take your holiday passport with you no matter what you want to see or do. There are 14 tourism zones in Alberta. Each has its attractions. Each has its own stamp. And each zone will be pleased to help you find the exciting places where you can get your passport stamped.

With stamps from only six zones, you can start on your collection of medallions. One stamp per zone is all you need.

Then send your stamped passport to Travel Alberta. We'll send you a bronze* medallion in a presentation case and return your passport so you can go on to get your silver* (four more zones) and your gold* (all zones). You'll find details in your passport.

The main idea is to discover just how exciting every part of Alberta can be. You'll be hearing more on radio. To help make it easier, you'll find calendars of events in newspapers beginning in May — what to see and do and where you can get to use your passport.

Mail the coupon in your passport for stamp locations and other valuable Stamp Around Alberta information.

Community Services Report

Submitted by
The City of St. Albert

SENIOR CITIZENS NEWS

Every Monday at 1:30 p.m. there is a choir practice at the Senior Citizens Centre. Mrs. Bertha Kennedy, director of the choir, is desperately trying to recruit some male singers. So come men, don't be shy ... join in the singing.

Cards and bingo are played on alternate Tuesday afternoons at 1:30 p.m. Bingo will be the name of the game on April 11 with cards

on the following Tuesday, April 18.

Seniors are reminded of the craft sessions which are held every Wednesday in the Centre (north of the curling rink) at 1:30 p.m. Newcomers are always welcome.

On Thursday, April 13, the Sturgeon Health Unit will be presenting a film on consumer awareness entitled "On Guard." Everyone is invited to come to the Centre around 12:30 p.m. to view this educational film.

The film presentation will follow the meal which is provided for a limited num-

ber through the Meals on Wheels program. Information about these weekly lunches can be obtained by phoning Hettie Blades at 459-4756 or Jenny Allan at 458-0472.

On Saturday, April 29 from 1 to 4 p.m. at the Centre, there will be a next-to-new sale. That's a good time to pick up some extra clothing for the children at a very good price. Donations can also be taken to the Centre during these hours.

On Friday, April 28, the annual meeting will be held in the Senior Citizens Centre at 1:30 p.m. Everyone is welcome.

SOFTBALL COACHES CLINIC
The Hercules Sports As-

sociation in conjunction with the Community Services Department will be sponsoring a Softball Coaches Clinic April 19 and 20 at Lacombe Clubhouse. Times are, April 19 - 8 p.m. and April 20 - 7 p.m. Mr. Danny Woytiuk will be the instructor for these sessions. There is no fee, and if you are interested just proceed to the Clubhouse on those dates.

SPRING PROGRAMMING

Our Spring brochure outlining the courses offered for Spring '78 has now been delivered to all homes in the St. Albert area. Registrations commenced this week and most of the classes will commence the week of April

24.

We use this programming period to introduce many new program ideas and you will note that many new workshops for various crafts are offered at this time. You should get your registrations in as quickly as possible to the Cashier's Office at City Hall.

There are a couple of changes to the brochure. Ladies Keep Fit will run for eight weeks (not 10) and the fee is \$10 (not \$12 as advertised).

The Home Canning and Preserving course offered by Alberta Agriculture will be held May 9 at the Akinsdale Clubhouse and not May 16 as advertised.

LADIES FASTBALL

Any ladies interested in playing fastball twice a week should contact Vi Oke at 459-8013.

LADIES SOCCER

Ladies of 25 years and over should call the Community Services Department, 20 Muir Drive at 459-6601 if they are interested in playing in an unstructured soccer program this summer.

NOTICE OF PUBLIC HEARING

1. The Council of the City of St. Albert proposes to pass Bylaw No. 12/78, being a bylaw to rezone Lot 40, Block 11, Plan 1105 M.C. as shown on the attached plan.
2. The purpose of the proposed Bylaw No. 12/78 is to rezone the lands from C3 (Highway Commercial) to C1 (General Commercial). The proposed land use is a neighbourhood shopping centre.
3. The proposed bylaw may be examined between the hours of 9 a.m. and 4:30 p.m. weekdays at the office of the City Clerk in City Hall, St. Albert. Enquiries regarding the proposal may be made at the Planning Services Department at City Hall, St. Albert.

FROM C3 TO C1

4. Council will hold a Public Hearing on the proposed bylaw on Monday, April 17, 1978 at 8 p.m. in the Council Chambers, City Hall Annex, at which time any person wishing to make oral representation may be heard. Written representation concerning the manner in which any provisions of the proposed bylaw may affect him, will be received by the City Clerk until 12:00 noon Friday, April 14, 1978.

Child-development series now on prime time

The many people who live and work with children but who cannot watch daytime television programs will now have an opportunity to view the popular Focus on Childhood series when it appears on "Access Prime" Saturday evenings. Beginning April

29, the 11-week Access Alberta series will feature a unique look at child development at 9:30 p.m. each Saturday evening on "Access Prime."

The Drumheller Preventive Social Services department last year recommended

Focus on Childhood as a good way to get "new ideas to help you do a better job of raising your children." The 11 half-hour programs emphasize the ways that an adult can deliberately create situations which help a child to grow in knowledge and

expertise. The programs outline the patterns of physical, social, and intellectual development from birth to eight years, providing the viewer with a basic understanding of growth. The toddler who loves climbing stairs and crawling under tables is simply practising the skills required for control of his body; and by the deliberate presentation of safe, natural obstacles, the adult can encourage the toddler's confidence in movement. In the older child, the play that appears to be simply haphazard entertainment is actually the child's way of learning to co-ordinate his body and enjoy the social world.

Focus on Childhood concentrates in an entertaining fashion on creating an awareness in the viewer of the many ways a child's growth can be encouraged. Creating a variety of suitable play areas, allowing the child to try things at his own speed, and to grow at his own rate will help the child in both physical and mental development. A child should have the opportunity to experience and develop freedom, judgement and courage but at the same time be supported as he encounters the unfamiliar.

Focus on Childhood was developed jointly by Access Alberta and the Early Childhood Services Branch of the Department of Education, and was produced in the Calgary studios of Access Alberta. A set of helpful monographs program by program commentaries are available in limited quantity,

An understanding of the patterns of child development - from the toddler fascinated by new wonders daily to the pre-schooler adapting to the social world - can help an adult encourage healthy growth. The "ACCESS PRIME" series FOCUS ON CHILDHOOD, appearing Saturday evenings, emphasizes the importance of the adult role in child development.

Education Gazette

Summer employment program announced

Dr. A. E. Hohol, Minister of Alberta Advanced Education and Manpower, has announced the government's intention to support the Summer Temporary Employment Program (S.T.E.P.), a job-creation program, and Hire-A-Student, a job-placement service for Alberta students.

In a statement to the Legislature, Dr. Hohol recommended the allocation of \$2 million to launch STEP. He said that the final extent and scope of funding to STEP would be determined in relation to the summer employment situation in Alberta. Additional funding and projects may be considered if a serious unemployment situation develops.

Dr. Hohol explained that STEP, which aims at providing employment opportunities, will have four elements for post-secondary students and four at the high school level.

To be eligible for the program, students must be 15 years of age or older, Alberta residents and legally entitled to work in Canada.

The post-secondary components, which run from May through August, include work experiences in the following four areas:

-- provincial government departments, with major

emphasis on research and surveys;

-- recreation, on cost-shared projects with municipal recreation boards for recreation students;

-- veterinary work, a cost-shared operation between Alberta Agriculture and registered veterinarians for veterinary students;

-- tourism, cost-shared projects between Business Development and Tourism and zone offices of the Travel Industry Association of Alberta for work in tourist information centres.

High school elements of STEP are scheduled for July and August. They include work activities:

-- on Alberta farms, under cost-shared agreements between Alberta Agriculture and eligible farmers, for employment of not less than two weeks;

-- with municipal government programs, in maintenance and recreation-type jobs, with cities, towns, villages, counties and municipal districts;

-- at Junior Forest Ranger camps, under Alberta Energy and Natural Resources, for eight weeks of career-development experiences in provincial forests;

-- with agricultural societies, who jointly with Alberta Agriculture provide work to improve society facilities and to assist with summer fairs

and shows.

In seeking job placements, potential employers and all students were urged by Dr. Hohol to contact any one of the 75 Hire-A-Student offices to be opened throughout the province in late April or early May.

The placement offices, which are largely planned and operated by students themselves, are designed to provide work experiences to foster development of skills and confidence.

Extended care course is a first!

The certificate program in Extended Care Nursing at Grant MacEwan Community College, Edmonton is new and is the only program of its kind in western Canada. It is designed to prepare registered nurses to provide quality care to the aged, disabled and chronically ill.

Modern science and technology have had a tremen-

dous impact on the health status of society. People are living longer and, as a result, our elderly population is rapidly increasing. Others in our society live with various degrees of physical and mental incapacity.

What are the implications of this expanded population of elderly and disabled or society? The goal of the

Extended Care Nursing Program at Grant MacEwan Community College is to accept the challenge of this development by preparing registered nurses to cope with these new demands.

The registered nurses working with the elderly, disabled and chronically ill need to be aware of health problems, social problems and available resources. In 1971 there were 1.7 million Canadians over the age of 65. That number will double by the turn of the century. Approximately 86 percent of the population who are over 65 years have one or more chronic health problems. Patient days in hospital for the elderly are approximately double those of the younger generation.

The elderly suffer many

losses including family, friends, homes and income, often resulting in depression and grief. They must cope with the stigma of being old ... the negative attitudes of society toward aging. The nurse who is enrolled in the Extended Care Nursing Program has an opportunity to study the psychological impact of aging and to consider ways and means of assisting this group to cope with the pressures of society and ill health.

Many problems faced by the disabled and chronically ill are similar. Physical and social rehabilitation is of major concern. As the nurse gains a special body of knowledge and skills she is also learning to improve interpersonal relationships and self awareness. In addition, the Extended Care Nursing Program includes study of management and teaching skills, areas that are relevant to responsibilities in the Extended Care Setting.

The course is Extended Care Nursing faces the challenge of emerging social issues. It provides know-

ledge and skills for nurses who are working with long term clients in the home or in an institution. A base is established which provides an essential opportunity for the registered nurse to be involved in "total patient care."

Applications are being accepted now in the Extended Care Nursing Pro-

gram at Grant MacEwan Community College. Full time study is available, September to April. Evening and part-time study are also available. For more information, write the Extended Care Nursing Program, Grant MacEwan Community College, Box 1796, Edmonton, T5J 2P2.

THE CITY OF **St. Albert** PUBLIC NOTICE ROAD CLOSURE

Notice is hereby given that the Council of the City of St. Albert deems it advisable to close that portion of St. Michael Street, being 10 feet by 250 feet, fronting those properties legally described as Lots 26 to 30 inclusive, Block 5, Plan G, St. Albert Settlement, as shown on the attached map.

The portion, when closed, shall be offered for sale to the fronting land owners.

 ROAD CLOSURE

Council intends to give consideration to the passing of Bylaw No. 11/78 for this purpose at its regular meeting to be held Monday, May 1, 1978, at 7:45 p.m. in the City Hall Annex. Council will afford an opportunity to be heard to any person or his agent who claims that he will be prejudicially affected by the passing of the bylaw.

This notice shall be published on April 5 and April 12, 1978.

CITY CLERK

Agriculture - forestry centre is approved

Consolidation of the University of Alberta's Faculty of Agriculture and Forestry was given further impetus last week by the university's Board of Governors.

The Board approved a capital expenditure authorization request from its building committee of \$20,076,000 for the construction of an agriculture-forestry centre.

Construction is scheduled to begin in June and be

completed in the fall of 1981.

In making an initial construction grant of about \$5.5 million to the university March 21, the Alberta department of advanced education and manpower said the centre would increase the university's capacity by 700 students.

The new facility, to be located north of the Students' Union Building on a site now occupied by tennis courts and a parking lot, will bring together agriculture and forestry departments which, because of earlier financial and space constraints, are located in disparate areas of the campus.

The five-storey centre, originally planned in 1969, will contain 177,352 square feet.

Plans call for an overhead walkway to link the centre with the General Services Building which contains some agriculture and forestry offices and laboratories.

Long Mayell and Associates of Calgary are the architects for the centre.

The faculty is the only one serving the advanced educational and research needs for agriculture in Alberta and the only faculty serving these needs for forestry in the Prairies.

At the present time, the faculty has 900 students and 98 full-time academic staff members.

Playwright's unit looks at Gerald Reid play

The Northern Light Theatre 3 Playwrights Unit is currently giving a workshop to The Calling of Eggman Fry, a full length play by Edmonton playwright Gerald V. Reid. Six days of intensive script development involving the author, director, and cast will be followed by two public readings of the work, on Sunday, April 9 at 2 p.m. and Monday, April 10 at 8 p.m. The readings will be given in the Northern Light Theatre

rehearsal hall at 10189 99 Street.

The Calling of Eggman Fry is a lyrical drama set in Rumsay, Alberta during wartime, in which the relationships of three brothers to one woman are studied with humour and compassion. When a conscription letter arrives at the Stone farm, the brothers draw straws to see who will go to war. The chance of the draw has lifelong implications for the one who remains to tend the

farm and marry the woman.

Edmonton actress and director Patricia Bell directs the workshop. The actors are Darlene Bradley, Dwight Dutkiewicz, Patrick McGuigan, and Brian Taylor.

Gerald Reid studied at the University of Alberta Department of Drama, and most recently co-wrote and appeared in Westwind Odyssey Theatre's widely-acclaimed The Mountain Show. One of that company's co-founders, he is currently preparing the script of a summer production to be presented at Fort Steele in Cranbrook, B.C.

Members of the theatrical, literary, and media communities in Edmonton have been invited to join interested members of the general public at the Sunday and Monday readings, to offer their comments on the script. The Calling of Eggman Fry is the fourth Edmonton script to be workshoped by the Playwrights Unit this season.

The current production of James Iwasuk's adaptation, Treasure Island, playing to delighted audiences packed with school children in the Zeidler Hall at the Citadel, is a triumphant success.

The first presentation of Treasure Island opened on Good Friday at 11 a.m. to a half-full house, however by Monday, Citadel house and box office staff were reluctantly turning people away. The mad rush continued throughout the Easter break period, while the lively children's presentation played to overflowing houses.

The Citadel's Publicity Department pre-sold the next four weeks, from April 3 to 28, to schools in the Edmonton and surrounding area, and holds a waiting list for possible cancellations for another 25 schools. When the five-week run of Treasure Island brings down the last curtain 13,000 children and adults will have seen the spellbinding adventures of Long John Silver and Jim Hawkins.

Treasure Island's cast includes Wally McSween playing Long John Silver, Stephen Holgate as Jim Hawkins, Christopher Lewis as the mad Ben Gunn, and Adrian Francis as Dr. Levi-sey.

James Iwasuk directed and adapted Treasure Island. Mr. Iwasuk is well exper-

ience in the area of Children's Theatre, having toured the U.S.A. for one year with the Robin Hood Players out of Chicago, then started his own Company, "The Jolly Jesters" in Toronto, and performed at the Colonnade Theatre and toured one season with Treasure Island. He has also directed, produced and adapted Frances Freedman's The Old Man and the Robot at the Central Library Theatre in Toronto

and toured this play for the remaining season throughout Ontario. He was on the Playwrights Faculty at the Banff School of Fine Art, is a founding member of the Playwrights Co-op, and has acted in numerous Canadian plays and for CBC Television.

Treasure Island will become part of the repertoire of The Citadel-on-Wheels/Wings playing to schools in Alberta next fall and winter.

The Kiwanis Music Festival wound up Friday night at Sir George Simpson Junior High. This unidentified flautist was one of the competitors.

Nostalgic musical ends citadel season

Dames At Sea, the long running New York musical will be the final presentation of the season in the Citadel's Shocter Theatre, opening April 19 through May 14, excluding Mondays. This is the musical that both admires and satirizes those big Busby Berkeley movie extravaganzas of the 1930's which delighted watchers of the Late Show when they were brought back on TV in the 1960's.

Touches of nostalgia and satire are being applied to

the musical (written by George Haimsohn and Robin Miller, with music by Jim Wise) by director Diane Nyland, with musical direction by Peter Yakimovich. The sets are by Christopher Adeney, costumes designed by Gwen Keatley and lighting design by Tim Williamson.

"Dames at Sea," won the Outer Circle Critics Award as best musical of the year, after a long and successful run off - Broadway.

Jazz

Oscar Peterson, Ella Fitzgerald and Joe Pass are rescheduled for Wednesday, May 3 at the Jubilee.

This weekend, the Dave Bjarnason Quartet will entertain you from 10:30 until 2 a.m. at the Hot Box. Next week, Art Blakey and the Jazz Messengers, take over the Hot Box. On Tuesday, Wednesday and Thursday, things will get rolling at 9 p.m. Then on Friday and Saturday from 10 p.m. until 2 a.m. Art will also be involved in a Jazz Workshop at Keen Kraft Music in the afternoon.

Mabey, McQueen star in "The Guardsman"

Judith Mabey and Jim McQueen play the actor and actress in Ferenc Molnar's romantic comedy, *The Guardsman*, opening April 13 at Theatre 3.

In this comedy, *The Actress* - married six months - yearns for romance, and her husband, the actor, decides to provide it, wooing her in

disguise. Does his wife know who her lover is? Do we know if she knows? Molnar treats his themes of love, seduction, jealousy, fantasy and reality in a light, charming and thoroughly entertaining manner.

Judith Mabey has to her credit roles such as Kathy in *Vanities*, Nora in *The Doll's*

House, and Carla in Kennedy's Children. She recently taped the CBC Radio network production of *Salome*, which earned her a nomination for the Andrew Allan Award.

Jim McQueen is a Vancouver actor who works in musical comedy and television as well as in classical

drama. Jim has played leading roles on all of Vancouver's professional stages in Victoria and Calgary, and at the Shaw Festival.

Playing Mama, confidante to the Actress, is Margaret Martin. A resident of Victoria, Margaret has appeared at the National Art Centre, at

the Manitoba Theatre Centre and at the Globe Theatre in Regina. She played the title role in Emily Carr, a CBC TV documentary which won the Aetra award for best television program in 1976.

The Critic is played by Michael Murdock, professor of drama at the U of A who has an extensive acting career, playing with such greats as George C. Scott, Coleen Dewhurst, Margaret Webster and Kim Junter. Most recently Mr. Murdock appeared as Sir Herbert Beerholm Tree in the Northern Light Theatre production of *First Night in Pygmalion*.

The Maid will be played by Christine Willes, who comes straight from her dual role in Theatre 3's previous production, *Canadian Gothic, American Modern*.

Stephen Walsh, most recently seen at Theatre 3 in *Canadian Gothic, American Modern*, and previously as Judas in *Godspell*, will play the Creditor in *The Guardsman*.

The final role will be played by a veteran Edmonton actress Gilly Brand, who teaches school by day and acts the part of a theatre Usher by night. Ms. Brand recently appeared in the *Walterdale Theatre* production of *The Children's Hour*.

Performance schedule for *The Guardsman* is Tuesday through Sunday at 8:00, and Sunday at 2:00 until April 29. Tickets are available through the Bay Box Office, and at Theatre 3, 10426 - 95 Street. Phone 426-6870.

"Visual Poems" shown at Graphica

From April 16 - 29 the premiere exhibition of realist drawings by Gloria (Kindred) Cantwell of Barrhead, Alberta will be presented at the Graphica Art Gallery, 8.

Ms. (Kindred) Cantwell was born in Yorkton, Saskatchewan. She received her early art training through private institutions, studied at the Vancouver School of Art and Banff School of Fine Arts. More recently, studies brought her to the Faculty of Extension, University of Alberta.

"Visual Poems" is her first exhibition and comes as a result of three years endeavour. The drawings are executed in either graphite or pen and ink. Her subjects vary from surreal dream sequences to super-realistic poetic perceptions of life. Her pen and ink drawings

reflect studies and research in form and thereby reveal the indigenous characteristic of her personal surroundings.

It has been said that her technique is comparable to such artists as Rhonda Galper and Len Gibbs.

The exhibition opens Sunday, April 16 at 2 p.m. and runs till Saturday, April 29.

For further information, call Micheline at 465-4188.

Correction

Tickets for the musical concert, "Warm Rain in April" to be held in the Centennial Library Theatre April 13 to April 15 are available at Woodward's at one price only \$3.50. There is no reduced ticket price for students and senior citizens.

New books at the St. Albert Public Library

Narrow Gauge Railways of Canada, by Omer Lavallee. This book is a "survey course" about one of the most interesting chapters in Canadian railway history. Canada actually still possesses North America's largest network of narrow gauge lines - Canadian National Railways Newfoundland and Yukon Route, and the Grand Falls Central.

Narrow Gauge Railways of Canada provides the reader with 112 pages of text containing listings of mileage chronological, geographical

facts about each system, with locomotive information. Several other useful appendices are included: time-mileage charts, 11 diagrams, 15 pages of roster and gradient profiles of three steeply graded mountain routes.

Canadian National Steam Power by Anthony Clegg and Ray Corley. This book is a detailed, illustrated reference to the numbering, classification, origin and disposition of the more than 4000 steam locomotives operated by the Canadian National Railways during the era of the system's steam locomotives from 1919 to 1960.

Also included are representative assignment classes and a resume of CN motor power history and development. A great book of Canadian National Railway history.

The Time of the Trolley, by William D. Middleton. There was a time in America, when if you went anywhere you took a trolley - for trolleys went everywhere. The trolley came into being in 1888 in Richmond, Va., Clanging, swaying, grinding along, the streetcar created the modern city. It rolled two generations of Americans to work, to the suburbs, to the ball park, out to the laughter and bright lights of the ferris wheels and roller coaster. It carried up to 11 billion persons a year. The Time of the Trolley turns out to be a gay and always intriguing time indeed.

The Changing World of Fashion by Ernestine Carter. This book reflects on fashions from 1900 to the present. Ernestine Carter's book is the result of wide research into the development of the many facts of fashion from ball gowns to stockings. With over 200 illustrations, many in colour. This book captures the dynamics of twentieth century fashion. For practitioners and students of fashion, it provides facts; for general readers it offers informed, but sparkling entertainment.

The Twelve Year Sentence, edited by William Rickenbacker. Compulsory

schooling has come under increasing fire from the educationists themselves and from outside critics. From one end of country to the other, the subject of schooling - whether it be busing, budgets, curricula, indoctrination, prayer, lunches, sex courses, tax sources etc., all gives rise to bitter and endless controversy.

Even such entranced educationist groups as the National Education Association have begun to question the wisdom of compulsory attendance at school, mainly because the educationists are the first to face the problems of dealing with genuinely uncontrollable youngsters.

Getty by Robin Lund. Paul Getty: the name of the late oil billionaire invokes the minds of most people a picture of an elderly man inclined to stoop, his face long, lugubrious and rarely smiling.

Photographed frequently in the company of one of several "regular women friends" at glittering social functions, standing with his hands in his jacket pockets looking uncomfortable and ill at ease, he was, in the last years of his life, a recluse, withdrawn from the world but still controlling a large part of it from his stately home in Surrey.

Getty was commonly described as mean, miserable, ruthless, selfish and humourless. This book shows how one of the richest men in the world was also a human being.

Canadian films continue at Library

April 12 and 19 will see the last in the series of Canadian movies being shown at the St. Albert Public Library through the generous support of the National Film Board. The last two films are Michel Brault's "Les Ordres" in French with English subtitles, and Don Shebib's "Between Friends".

"Les Ordres," which will be shown on April 12, is a stirring movie about the people affected directly by the War Measures Act. Four hundred and fifty people were detained, none were charged. Wire tapping, searches without warrants, imprisonment for 90 days without charges laid were the order of the day. But, what did it mean in human terms, to the individual? Brault interviewed 50 of the detainees, and distills their experiences through five characters: a mill worker, his wife, an unemployed youth, a social worker and a radical doctor. Through their experiences we learn about capricious arrest, capricious release, early morning arrests, and the effect of being cut off from both family and friends and the world in general. The doctor's wife is expecting their first child. Until his release, he hears nothing about her.

Well acted, superbly directed, we live again those traumatic days of October 1970, this time through the lives of the participants.

On April 19, the final show will be Don Shebib's "Between Friends." Set in the desolation of Sudbury, it tells how five people attempt to break out of their trap. The method chosen is to rob a

payroll. As the climax approaches, the interplay and tensions among the five planners increases to a pitch of high intensity. The death of one of them affects them all.

Throughout the film the direction of Shebib, the photography and musical score, combined with the fine acting, make a touching and arresting story of the works and days of a group of constricted Canadians. The audience becomes moved and involved with the film's characters. A strong ending to what has been a most interesting series of Canadian movies.

Pottery display at library

An art display featured at the St. Albert Public Library this month is pottery by Carol Stanton. Carol, a member of the St. Albert Arts and Crafts Guild, is a well known potter and pottery instructor here in St. Albert. She also does Raku - an ancient Japanese pottery technique. Come and see the interesting pieces on display.

Carol will also be the featured guest on "the Inside Story," which can be seen on Capital 5 Wednesday, April 19 at 7 p.m.

When you put your House on the Market, We'll Put It On The Map

A buyer for your property could live in the next block. Or the next province. So list with CENTURY 21, and we'll comb the entire country for buyers!

Our exclusive VIP Referral program exposes your house to both American and Canadian buyers. More than 51,000 CENTURY 21 salespeople from coast to coast can see your listing ... and act on it!

We lead the real estate world in listings and sales. One good reason is our VIP Referral program. Put our size, experience and professionalism to work for you. And put your house on the map.

Public warned against faulty coffee maker

Consumers should not use coffee makers with the trade name "Mr. Automatic - Premier" Model AD-12, according to a warning from the Canadian Standards Association.

There have been several fires due to a failure of the thermostat over the last couple of months. As yet no one has been injured using them. CSA has re-examined some of the coffee makers and discovered that an overheated element could melt, causing the base to set fire to a kitchen counter top.

It's estimated that quantities of these appliances were sold in retail stores across Canada. Owners of "Mr. Automatic" coffee makers should stop using them and return them to the World Premier Service Centre at the following address: 10245 Cote De Liesse Rd., Dorval, Quebec, H9P 1A3.

During the last few years we have heard a lot about metrics. They are slowly and surely creeping up on us and soon everyone will indeed be thinking metric. As most of us have found out already, metrics are easy to catch onto and use.

METRIC RECIPE MONTH

March 1 was the beginning of metric recipe month. All recipes seen in the future will likely be in metrics. This doesn't mean you have to throw away all of your imperial measuring tools. You will continue to use these for your old, favorite recipes.

Metric measure should be purchased for new metric recipes. When buying new measures, make sure the dry measures are in metric only. The dual-dry measure (imperial and metric) are quite unsatisfactory. The metric number on dual measures is an odd number. These measures are difficult to use as metric recipes have amounts based on the basic units 250, 125, 50 and 25 ml.

Measuring spoons are replaced by small measures. These measures come in sets of five (1 ml, 2ml, 5ml, 15ml and 25 ml). Liquid measuring cups have metric measures on one side and imperial on the other.

SEWING IN METRICS

July 1 is the official conversion date for yard goods. After July we will be buying three metres of fabric for a dress. Measurements will be in centimetre. The 36-24-38 figure will become 92-61-97! Once conversion is complete, everything will seem simpler. Begin now by purchasing a metric measuring tape, use the metric fabric requirements on the pattern envelope and sew metric!

METRIC SPEEDOMETERS

The majority of car owners still have speedometers registering miles per hour instead of kilometres. This can become confusing, especially if directions are given to proceed 15 km north and your odometer is in miles.

The best and simplest conversion method is using transparent number stickers (available at most service stations) placed on the glass or plastic cover of the speedometer. Other methods for converting to kilometres are not recommended.

It is an offence under the 'Weights and Measures Act' to alter or adjust an odometer so that it gives a false indication of the distance travelled by the vehicle. Adding a gear to the speedo-

meter drive so that the speedometer reads in kilometres per hour also converts the odometer. Consumers would face legal problems if they attached such a device. This would result in an odometer reading partly in miles and partly in kilometres, which would be very deceptive to a buyer of a vehicle.

THINK METRIC

Metrics are slowly establishing themselves as a part of our lifestyle. Instead of just letting it creep up on you, why not be prepared? Attempt using these new concepts. It is easy to do and you will be two steps ahead of the general population if you begin to THINK METRIC NOW.

Legion entertains Youville residents

The residents of the Youville Home spent an enjoyable afternoon on Saturday when they were entertained by members and associate members of Branch 271 of the Royal Canadian Legion. In attendance at the social event were Mr. Ron Bull, president of Branch 271; Ross Hutton, 1st vice president; Rudy Schibar, service officer; Fern Armstrong, president of Club 271 and Bob Enockson, manager of the Legion. A group of volunteers also participated in the entertainment.

This was not the first such event, as a similar successful afternoon had been held at the Youville last December.

The afternoon started with an afternoon of bingo followed by coffee and cake and a visit with the residents. By the end of the games, each resident had won a prize. All the volunteers found the afternoon most rewarding as many of their friends are confined to wheelchairs and their entertainment depends on those who are able to spend a few hours with them. Plans are already underway for another such occasion in June and Legion members are looking forward to visiting with Comrade Joe Therien, and all their other friends at the Youville.

Special thanks are extended to Mike Stout for the outstanding job he did calling the bingo, to Sister Blandine for assisting and making the volunteers so welcome, and to the Ladies Auxiliary for the lovely flowers.

The Legion would like to acknowledge volunteers Thyra Schibar, Bernice, Cheryl and Cathy Reaugh, Jean Woelenga, Dorothy Armstrong, Vivien Schingking, Muriel Hutton, Jerry and Gord McLeod, Len Jones, Dave Davis, Doug Taylor, Eric Bannister, Brinkie Gudmundson, Ollie Kendal, Ted Orlich, Joe Meyer and Bill Graham. Thank you all.

Hideout Column

Scenes from Simpson

By Lynn Kutner
Tracy Webster

We have now returned from our hard earned spring break. It's about that time when a boring Thursday night turns into a dance. We are having a spring dance on April 13. On April 14 we turn back about 20 years to the fifties. The girls will put on red lipstick and a high ponytail. The boys will wear leather jackets and grease back their hair. This is the

result of a jiving contest. Prizes will be awarded for the best jivers. The teachers will be reminded of their childhood and school days by students wearing their fifties "threads."

It's back to the books for our teachers as the teacher professional development day rolls in. This will give us a beautiful long weekend.

Last Saturday was the singles badminton playoffs which provided us with winners in Grades 7, 8 and 9.

Monday, April 10 is the grade 7 doubles playoff. Tuesday, April 11 is grade 8's and Wednesday is grade 9's. This has been co-ordinated by Mr. Ream and Mrs. Milanovich. Good luck to all participants.

The regional Science Fair was held on Friday, April 7 and Saturday, April 8. We did quite well as Cathy Hofmann placed second in the elementary individual group. Kirsten Maden won the NAIT trophy and Tracey Nixey got an honourable mention. In the junior high group Bob Mowatt and Dean Krause placed second.

By Albert Zylstra
Now that school is back in, all the parents are pretty well glad to have the kids out of the house and neighborhood for awhile each day. Just wait till summer holidays come leaping around. Do not fret, the Hideout will be working on a full day basis copying the same program that was run last year for the junior high students out of Grandin Clubhouse, which was a very successful program, I might add.

But, right now, we are operating every Friday and Saturday nights, offering the teens in town a variety of things to do. Our prices are reasonable and there is always something for the kids to do. Occasionally, though, we do run into problems, like running short of staff. So if anybody out there would like to help out, call Brian Leonard at 459-6601, ext. 48 and I'm sure he can find room for teens to work down there.

April 21, regular operations will be suspended to make room for Disco - 2. A return performance by Mrs. De Champlain. The price is

99¢ for members and \$1.99 for non-members. The doors will open at approximately 8:00, and it will run to midnight. It should be fun for all.

If you missed the article last week on distribution of grants, the St. Albert Teen Centre (Hideout) was given \$3,545 for more equipment downstairs. This means more pool tables, air hockey, shuffleboard, hot food, TV ping pong and a variety of improvements in the centre

itself. The Teen Society would like to thank town council for remembering this very active member in our community service groups.

Also, a special note to parents: the Teen executive will be holding their second furniture drive, later on in the year. So, hang onto that old couch or chair, we could use it. If you cannot wait to get rid of it call Brian Leonard and let him know about it.

Paul Kane News

By Carolyn Seltz

Well, the trees are just touching green again through the flying dust while your friendly, but sporadic, Paul Kane reporter is once more setting pen to paper to complain. It seems that these bursts of literary brilliance are required of me only when the school workload is at its height, and that accounts for my apparent moodiness. This is mid-term time, and with report marks due soon, each teacher is busy providing his students with opportunities to display I.Q. levels of incredible loftiness. Unfortunately, most of us

tend to cruise at rather lower altitudes and this sudden exuberance on the teacher's parts is only making our lives miserable.

However, at the end of this hard-won path will be our reward. Plans for Paul Kane's "Spring Fling" crystallized a while ago, and the fashion show will take place in the school cafeteria, at 7:30 on Tuesday, April 18. Tickets at \$2.50 a child and \$3 an adult, will be on sale at the school as long as the quickly-diminishing supply lasts. Along with many others, stores such as Black Sheep, Peter Wolf, Ethos, and Eaton's are contributing. But if, beneath the gorgeous veneer of fashionable society that the models will display, you glimpse a drawn and haggard face, it'll be the effects of mid-term exhaustion you detect, not social dissipation.

East Side Teens

By Mary Jo

Many times before East Side Teens has seen the RCMP "cop-out" on a floor hockey match and forfeited the game be default.

Next time it would be nice if we had co-operation from a few janitors, a youth worker who showed up on time and a few extra RCMP (three does not make a team).

It has been rumored the RCMP are great athletes but they never came around to prove it.

This is a request to all you RCMP, we are still interested in a game if the RCMP can get enough courage to brave us.

About 50 students came
back to find their names
existed on the honor roll. To
get on the honor roll they had
to have an 80% average or
better in all core subjects.
This is a good achievement
that most students try to
obtain. Congratulations to
everyone who achieved this
honor.

Students also found out
that to be exempted from the
final exams they will have to
have an 85% average in the
core subjects. The exemption

is also based on attitude.

The Kiwanis Music Festi
val was held in the V.J.
Maloney lunchroom April 5,
6 and 7. V.J.M. had a
singing group called the
V.J.M. Melodettes which
consisted of grade 8 and 9
girls. They received marks of
82 and 83 for their singing.
Good going girls.

Badminton at V.J.M. is
like any other school. We had
singles which were sent to
Paul Kane for singles tour
nament on Saturday, April 8.
We received a first and
second for the boys and third

for the girls. Our school had
its own little tournament to
determine which seed the
players will be in. The
doubles tournament is once

St. Albert High Reports

By Monica Tapp

Howdy! How many of you
cowboys "moseyed" on
down to Gold Rush Days last
week? Just wanted to let you
all know that it was a rip
snorting success with the
total receipts amounting to
over \$500 - I mean buckaroos
- \$300 of which are pure
profit. A cheque will be
presented to the St. Albert
Parish later this week as
S.A.H.S.'s Share Lent con
tribution.

Elections were held re
cently. Members of both old
and new students unions
feasted on good ol' Ronald
MacDonald specialties - Big
Macs, fries and shakes last
Thursday.

Mmm mmm good!
Well, so much for the good
news. The bad news is that
this week is mid-term exam
week. Aaaargh! There is
nothing more frustrating -
more aggravating - more
impossible than studying for
mid-terms on a beautiful
spring day. It's enough to
make anybody scream!

Report cards will be issued
on April 27.

MODERN OFFICE WAREHOUSE SPACE TO LEASE

Phone 458-1110 OR
452-5612 AFTER 6 PM

again to be held at Paul Kane
from April 10 - 12.

Public speaking will be
held on Friday, April 21 in
our lunchroom. The students
speaking will be the top from
each class. How these people
get picked are as follows:
Everyone prepares a speech
to read before the class. The
speech is from three to five
minutes long. They can write

on any subject they wish.
After all the speeches have
been read and judged one is
picked from each class. On
April 21 the top students will
read their speeches in front
of their own grade level and
three judges. The best one
from each grade level then
wins the oratory contest.

That's all for now ... More
news in two weeks.

Teen Scene

By Brian Leonard

Community Youth Worker
Please note that the Hide
out and Eastside Teens, are
writing their own column
these days. That leaves me
more room to philosophize
and preach as well as report.

Eastside and Grandin
teens have joined forces to
put together a Kids Karnival.
It will be Saturday, May 13
from 1 p.m. - 5 p.m. at the

Perron Street Arena. It will
feature everything from a
spook house to a coconut sky.

Things to watch for in the
future: Hideout Discotheque,
camping trips, canoe course,
Teen craft exhibit and floor
hockey tourney.

Any community youth
groups wishing to use my
column for publicity or
promotion please give me a
call.

Winners from the Regional Science Fair

St. Albert did well at the
Regional Science Fair held in
Edmonton on the weekend
coming up with winners in
four categories.

High School (A) - none
entered from St. Albert. Only
five of eight regional entries
showed up for the competi
tion.

Group Projects (Gr. 7-9)
(B) - 2nd prize Dean Krause
and Jim Mowatt both in
grade eight at Sir George
Simpson for their project
'Conditioning and Training
of Mice'. The project starring
'Eeny, Meeny, Miny and
Moe' was awarded the prize
for the careful and explicit
way it was carried out.

Group Projects (Gr. 4-6)
(D) - 2nd place went to the
Grade 6 Sir Alexander Mac
kenzie team of Kevin Rokosh
and Brian Maruyama for
their experiment comparing
the strength of various ad
hesives on the market.

Individual Projects (Gr.
4-6) (E) - Cathy Hoffman, a
grade six student at Sir
George Simpson was award
ed second place for her
project on the cause and
prevention of rust.

Jacqueline Hutchison from
Ronald Harvey in grade five
received an honorable men
tion for her project on
protozoa, as did William
Meredith, a grade 4 student
at Sir Alexander Mackenzie
for his experiment on 'Which
Materials Burn Fastest' and
Malcolm Jones, a grade 6
student from Leo Nickerson,
for his project on the transfer
of light energy to sound
energy.

SPECIAL AWARDS

Joanne Pass who attends
Ronald Harvey School in
grade 4 was presented with
the Alex Taylor Memorial
Award for her project on
water filtration. It marks the
first time this award, open to
all grade levels, has gone to
an elementary student.

The Canadian Institute of
Food Sciences and Techno
logy Trophy went to Sir
George Simpson student,
Kirsten Madsen who is in
grade 6. Kirsten's experi
ment was on dehydration.

Metric recipes

Now is a good time for
anyone who likes to cook to
try his or her hand at metric
cooking.

Agriculture Canada's food
advisory services says many
Canadian newspapers and
magazines are featuring me
tric recipes for the first time
this month.

They also say that now is
the time to buy a set of
metric measures and begin
using metric recipes.

St. Albert School District No. 3 PUBLIC HEARING

A public hearing will be held by St. Albert Catholic School
District No. 3 at Bertha Kennedy School on April 17, 1978
at 8 p.m. to discuss the District Housing Policies and
Student Housing for the schools during 1978/79.

DISTRICT HOUSING POLICY

St. Albert School District No. 3 recognizes the value of
community schools, particularly at the elementary level.
Notwithstanding this policy, however, the Board further
recognizes the concept and value of centralized junior and
senior high schools.

A community school is defined as a school where, with
the sanction of the School Board inco-operation with other
local authorities and on behalf of the community there is
formal commitment to the use of the educational process
for both individual and community betterment.

SECOND LANGUAGE IMMERSION HOUSING POLICY

St. Albert School District No. 3 supports the concept of
centralized housing for Second Language Immersion
programmes.

A Second Language Immersion programme is defined as
one where at least 50% of the students' instructional time
is in the second language.

While the above policy statements reflects the Board's
position with respect to the ideal housing arrangements, it
is recognized that on a given year, deviations from the
policies may be necessary.

PROPOSED HOUSING PLAN - 1978-79

Vital Grandin school house all grade one to seven
students east of the highway plus the opportunity room
children.

Albert Lacombe school house all grade one to seven
students from the Grandin Park subdivision.

Father Jan school house all grade one to seven students
from the Mission Park subdivision, grade seven students
from Lacombe Park and the E.C.S. and grade one French
Immersion programme.

Bertha Kennedy school house all grade one to six
students from the Lacombe Park subdivision.

Vincent J. Maloney school house all grade eight and nine
students in the City.

St. Albert High school house all grade ten, eleven and
twelve students in the City.

Any ratepayers who wish to receive additional information
related to the housing plan for the 1978-79 school year
can obtain a report from central office.

MONDAY, APRIL 17 - Vignettes of early St. Albert and coffee will be offered by St. Albert Historical Society at 8 p.m. Location to be announced later.

TUESDAY, APRIL 18 - The St. Albert Nurses Interest Group 10th Anniversary Dinner - 7:30 p.m. at the Glendale Golf and Country Club. For reservations phone 458-2101 before April 13.

Discount in effect on power bills

Calgary Power Ltd. is applying a 12.5 percent provincial discount to all its electric power bills. The discount went into effect April 1. The discount will have the effect of returning approximately \$33,600,000 to the company's customers in 1978.

The discount relates to the amount of corporate income taxes paid by Calgary Power for 1977. The federal government returns to provincial governments 95 percent of

federal income taxes paid by investor-owned utilities. Alberta in turn rebates the federal tax, along with 100 percent of the provincial income tax, to utility customers. It does so by authorizing the utility companies to reduce customers' billings by the amount of the rebate.

Approximately \$70,953,000 has been rebated to Calgary Power customers under this tax rebate scheme to the end of 1977. The 12.5 percent discount rate is up from the 9.5 percent rate which ap-

plied during the previous rebate period.

The federal government passed laws in 1966 providing for the return to the provinces of 95 percent of corporate income tax paid by investor-owned utilities, but until 1974 it held the tax money for three years before returning it. Recent revisions

to federal tax law permits tax transfers to the provinces by March of the current year in respect of these taxes paid in the previous year. Alberta rebates the provincial income tax on the same basis, so the provincial discount applies in respect of both federal and provincial taxes paid for the previous year.

Former local resident receives Queen's Medal

Mrs. Wilma Stewart R.N., daughter of Mr. and Mrs. Maurice Roberge of 8 Mill Drive, St. Albert, was recently awarded on the twenty-fifth Anniversary of the accession of Her Majesty

the Queen to the throne, a commemorative Canadian Silver Jubilee Medal.

The award of the medal is an expression of appreciation of worthy devoted service rendered by the recipient in her walk of life, and of the esteem in which she is held by her associates.

Mrs. Wilma Stewart grew up in St. Albert, and is a graduate of the School of Nursing, Edmonton General Hospital. She is presently residing in New Westminster, British Columbia, and is on staff at the Royal Columbian Hospital.

Relatives and friends join in with their congratulations to her.

THE DISEMBODIED STATE

The New Testament teaches the soul is separated from the body at death. It also teaches that in God's time the body is to be raised from the dead and united with the soul for eternity. It must follow that between these two points (death and resurrection) the soul exists in a "disembodied state." By "disembodied state" is meant the conscious existence of both the righteous and the wicked, after death and prior to the resurrection. A close study of the subjects: death and resurrection gives

us added information. In this state the soul is without a body, yet this state is for the righteous a state of conscious joy, and for the wicked a state of conscious suffering.

What the righteous do not receive the spiritual body at death, is plain from 1 Thess. 4:16 and 17: "For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and the trump of God: the death in Christ shall rise first: Then which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." 1 Cor. 15:52 gives this added information, "In a moment, in the twinkling of an eye, at the last trump: for

the trumpet shall sound and the dead shall be raised incorruptible, and we shall be changed." Christ's resurrection is commented on in 1 Cor. 15:20 "But now is Christ risen from the dead and become the first fruits of them that sleep." If the old saints as Abraham and Moses and Elijah had received the spiritual body at death they would have been raised before Christ.

The believers, the new creatures in Christ Jesus, the saved have their wonderful promises found in 11 Cor. 5:1 "if this earthly house be dissolved we have a building from God, a house not made with hands, eternal in the heavens. For verily in this we groan, longing to be clothed upon with our habitation which is from heaven: if so be that being clothed we shall not be found naked. For indeed we that are in this tabernacle do groan being

burdened; not for that we would be unclothed, but that we would be clothed upon, that what is mortal may be swallowed up of life... rather to be absent from the body and to be at home with the Lord." Luke 23:43 "Today you shalt be with me in paradise." John 14:3 and if I go and prepare a place for you I will come again and receive you unto myself; that where I am, there ye may be also. Romans 8:38 and 39 For am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers nor things present, nor things to come, nor height, nor death, nor any other creature shall be able to separate us from the love of God, which is in Christ Jesus. Other passages so numerous that I give only a few as "so them that sleep in Jesus will God bring with him, the beggar died and was carried to Abraham

bosom, I desire to depart and be with the Lord which is far better." The crowning event of a well spent life is summed up by the apostle Paul in 11 Tim. 4:6-8 For I am ready to be offered, and the time of

my departure is at hand I have fought the good fight, I have finished the course, I have kept the faith; henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give not to me only, but unto all them also that love his appearing.

Heavens answer prayer for rain

It is reported from Brisbane, Australia, that people in the drought-stricken state of Queensland prayed for rain and got it within a day. Substantial rainfall was recorded in most parts of Queensland after a specific Sunday was declared a day of prayer for rain.

The report states 3.5 million acres of farm and grazing land received 1.6 inches of rain in some areas, while other parts received half an inch. Morale has been lifted sky-high by the long awaited rainfall, the first decent rain since last March.

"This is, in reality, power of prayer."

The Bahá'í Faith Unifies Mankind

The word "religion" comes from the Latin, "religare" which means to join or connect. If religion is not a cause of unity, it is better not to have it.

Krishna, Moses, Buddha, Zoroaster, Jesus, Muhammed, the Bab, and Baha'u'llah all come from the same Divine Source of inspiration and all were Promoters of the progress of mankind. If their teachings differ, it is because mankind during their ministries, was at different stages in the development of its respective needs and receptivity, because All taught from a Divine Plan for the eventual unification of all mankind.

Baha'u'llah came to the world when mankind found itself in a particular dilemma: unite or perish. He came with the plan for the realization of that union on a universal scale.

For more information about the Baha'í Faith, please cut out this ad and mail to:

The Baha'í Faith, Box 87 St. Albert. Phone 459-4951

For more information about the Bahá'í Faith, please cut out this ad and mail to:

Comets take series lead over Sherwood Park Barons

St. Albert Comets took a 2-1 lead in the best of seven Alberta Major Intermediate Hockey League finals, with a 4-2 win Sunday night in St.

Albert.

Comets won the opening game 6-2 and then lost the second by a 4-3 score in Sherwood Park, April 2.

Barons got on the scoreboard first when John Kleinschroth went around defenceman Rich Perrault on the blueline and bounced a shot off goalie Carey Winkquist's shoulder into the net.

The goal came at 14:47 to give Barons a 1-0 lead, but it didn't last long as Matt Lister scored from a goal-mouth scramble at 16:55.

Comets dominated the second period as they came up with a pair of unanswered goals to take a 3-1 lead. Larry Stewart scored on a 30 foot wrist shot at 6:32 and Dave Vinge took a perfect two-on-one pass from Lister to easily score into an open net at 11:16.

Barons scored early in the third with Tom Meeters putting a backhand past Dale Henwood after intercepting an errant pass from Comet defenceman Bob Beaulieu.

Henwood shut the door the rest of the way on the Barons when speedy winger Brian Stevens lifted one over Baron's goalie Dennis Clelland and who was down after making a couple of great saves.

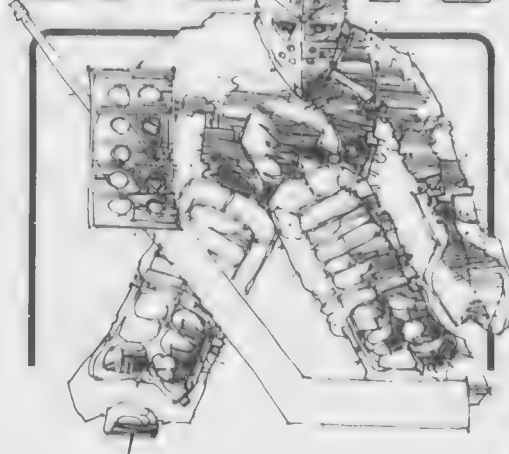

St. Albert outshot the Barons 30 to 17 and took four of seven minor penalties from referee Al Stohl.

Barons were playing with only 13 players including both goaltenders. They are no doubt resting some of their minor injuries in preparation for the Western Canada Intermediate championships in Prince George, B.C. this weekend.

The fourth game in the series will be played in Sherwood Park Tuesday, April 18 at 8:30 p.m. and the fifth will be back in St. Albert in the Akinsdale Arena on Thursday the 20th at 8 p.m.

Should the Comets win both games then the series would be over but should the Barons win one then the sixth game would be back in St. Albert. Please Turn to Page 22

SPORTS

Comets hockey banquet

The popular St. Albert Comets banquet and awards night will be held Friday, April 28 at the Club Mocombo.

The evening will start at 6 p.m. with a cocktail hour and a smorgasbord will be served at 7 p.m.

The awards presentation will be made at 8 p.m. with the dance to follow at 9.

Tickets are moving fast

and can be purchased from any member of the Comets for \$12.50 per person. They will also be on sale at the St. Albert Sportshop and RMC Sports Centre.

Music will be by the "Busted Flats" and refreshments will be available.

There will be door prizes given out, courtesy of some of the St. Albert businesses.

Kinsmen honor wives, coaches, referees at banquet

The second annual Kinsmen Minor Hockey Coaches banquet was held Saturday night at the Legion although the wives of the coaches, referees, and hard working volunteers were the guests of honour.

Kinsmen minor hockey chairman felt it was only proper to honor the wives for allowing their husbands to make the hockey program so successful.

Master of ceremonies Fred Fleming of CJCA had a few

words of wisdom for a number of the guests and some of his experiences both in professional football and minor hockey were hilarious.

The Legion put on an excellent meal and the evening concluded with the excellent music of Sound Track +2.

Once again the tickets were sold out well in advance and this banquet is fast becoming an event of the season.

Territorial sponsors junior fastball team

The St. Albert Juniors, winners of the Provincial "B" junior fastball crown last season will start off the season with Territorial Leasing President Jim Cebuliak announcing that his firm would sponsor the juniors this year and they would be known as the Territorial Juniors.

The team will also have a new coach with Ed Kachowski taking over from Larry Mitchell, who will remain with the team as an advisor and manager along with Blaine Galbraith.

Territorial Juniors will compete in the tough Stur-

geon Valley Senior Fastball League with teams from Stony Plain (3), Spruce Grove (2) St. Albert (3), Onoway, Calahoo, Alexander, Garden Valley, Devon and Enoch.

All positions on the team are open and anyone interested in trying out for the team can contact Larry at 459-4941 or Blaine at 459-7831.

The team will move up to "A" category for the provincials and have made an application to host the Northern Alberta Zone playoffs.

Practices will start as soon as weather permits.

IT WAS A FAMILY AFFAIR

... Winning A Event in the St. Albert Mixed Open Cash Spiel was a family affair this year. Skip, Lloyd Bryant, was presented with a cheque for \$320 by Mixed League President, Dave Berezan, which was divided evenly among the members of the rink. Curling with Lloyd were third, Vickie Tompkins (Lloyd's daughter), second, Lane Bryant and Lead Debbie Bryant. The beer steins were awarded courtesy of Carling O'Keefe.

Comets down Red Deer to win Provincial championship

St. Albert Comets won the Alberta Intermediate "B" hockey championship Saturday night in Red Deer with a 4-3 overtime victory over the Border Pavers.

The opening game of the series played in St. Albert April 5 ended in a 2-2 tie with goaltenders Carey Winkquist and Pavers Earl Bowie both having fantastic performances in their respective nets.

The second game of the two-game, total-goal series was also a goaltender's duel with Bowie and Comets Dale Henwood stopping a total of 97 shots between them in the game that was won on Dave Vinge's goal in the second overtime period.

The victory for the Comets gave the club its second straight provincial "B" title. They defeated Olds Elks 11 goals to 6 in last year's final.

Following the game, Alberta Amateur Hockey Association rep. Orest Korbitt, congratulated both teams for their excellent play and then presented the Walter G. Agnew trophy to Comets' captain Rich Perrault.

captain Rich Perrault.

In provincial intermediate "A" play, the Sherwood Park Barons defeated defending champion Calgary Trojans 6-3 in the second game to win the "A" title 10 goals to 7.

DAVE VINGE

With both intermediate "A" and "B" champions coming from the same Alberta Major Intermediate Hockey League, there is now no question that the Comets play in the best senior league in the province, which makes president Bill Mojelski of the A.M.I.H.L. very happy.

In previous provincial ac-

tion this season the Comets lost 8-6 in total goals to Calgary in "A" play and then after dropping into the "B" side they defeated Fort McMurray G.C.O.S. Blades eight goals to four which put them into the series with the Red Deer Border Pavers.

The opening game of that series was played in St. Albert a week ago today, and the highlight of the game was the goaltending by Winkquist and Bowie. Although the shots on goal show Winkquist stopping 29 to Bowie's 31, the figures don't tell the whole story. At least 75% could have been labelled as excellent scoring chances.

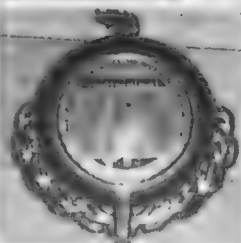

Comets scored the only goal of the opening period with Perry Pearn beating Bowie from close in with only 2:24 gone. John Phelan and Dave Vinge assisted on the goal. Winkquist had nine saves in the period while Bowie came up with 10.

The second period saw the Pavers get their skating legs and they controlled a major Please Turn to Page 23

MEDAL WINNING BOWLERS

... St. Albert's bantam boys fell just 34 points short of winning the Provincial Bowling Championships in Calgary recently. The competition was so close that the boys were forced to settle with bronze medals. Darryl LaBuick was high roller with a 215. Colleen Brown won a silver medal in the bantam girls singles and Chris Ahronson brought home a gold and a trip to Thunder Bay the last week in April for the National finals. Pictured above are: Terry Sargent, Darryl LaBuick, Colleen Brown, Jackie Sell (instructor), Greg Loewen, Kenny Klassen and Greg McConnell. Chris couldn't make it for the photo.

ROOKIE OF THE YEAR

Comet President Claude Contant presents the rookie of the year award to goaltender Carey Winquist during Sunday night's game in St. Albert.

MOST SPORTSMANLIKE

Alberta Major Intermediate Hockey League President Bill Mojelski presented the Most Sportsmanlike Player trophy donated by Enoch Reserve to Larry Stewart of the Comets during the first and second period intermission Sunday night.

PROVINCIAL TROPHY

Alberta Amateur Hockey Association President Doug McKenzie displays the Walter G. Agnew trophy with St. Albert Comet Captain Rich Perrault for the Comets Provincial "B" championship win over Red Deer Border Players.

series

Continued from Page 21
Sherwood Park. No date has been set.

BRIAN STEVENS

Between the first and second periods the Comets took time out to receive some

league trophies. Carey Winquist was awarded the Satellite Painting award for the best goaltender and also the United Homes trophy from Fort Saskatchewan for the top rookie of the year.

Larry Stewart received the Enoch Tomahawk trophy as the league's most gentlemanly player while Rich Perrault accepted the league trophy for the Comets finishing in first place and the Walter G. Agnew trophy for winning the "B" provincials.

Red Deer

Continued From Page 21
part of it. The only goal came late in the period as the Pavers capitalized on an elbowing penalty to Comets Bob Foote, when Gary Smith beat Winquist from close in. Red Deer outshot St. Albert 15 to 9 and each club took two minors.

Red Deer took a 2-1 lead with only 38 seconds gone in the final period as Irv Bowles beat Winquist on a rebound off a Greg Boddy shot from the point.

It appeared the Pavers would go back home with a one goal lead for Saturday's second game but Comets refused to give up and came up with the tie goal as Robbie

Pearn beat Bowie from close in, after Bowie had made two saves. Comets outshot Red Deer 10 to 7.

Referee Dick Currie called an excellent game and had control from start to finish. Only 10 minor penalties were given out, with Red Deer taking six.

The second game played in Red Deer was also a goaltender's dual with Dale Henwood coming out the winner allowing only three goals in 46 shots while Bowie came up with 51 saves including 10 in the overtime session.

The first period was scoreless as both clubs played a close checking game as neither wanted to make a mistake. St. Albert outshot Red Deer 10-9 and Red Deer

took the only penalty.

Pavers opened the scoring at 11.15 of the second with Lyle Knudson scoring to give Red Deer a 1-0 lead.

Two goals were scored in the final minute of the period. Larry Stewart scored at 19.21 to tie the game, but a goal by Terry Wedderburn put Red Deer ahead 2-1 at 19.46. Comets outshot Red Deer 15-10.

The third period was evenly played. The Red Deer team held onto their 2-1 lead going into the last five minutes of play, and appeared to be going to give their hometown fans the "B" title.

St. Albert had other ideas about losing their "B" crown and forced the game into overtime when defenseman Bob Beaulieu scored at the

16.54 mark.

Provincial overtime rules require a 10 minute period. If the score is still tied then a sudden death time is played, ending with the first goal scored.

Comets got on the scoreboard first in the opening period with Murray McLaren's marker with only 1.45 gone. But the lead was short-lived as Red Deer came back at 4.32 on a goal by Dennis Hendricks to tie the score at 3-3.

Red Deer outshot the Comets 8-6 in the first overtime as Henwood came up with some sparkling saves.

The second overtime session went to the 11.50 mark before Dave Vinge scored from a goalmouth scramble with Matt Lister and Larry Stewart getting assists. Comets also scored early in the period, although the goal was disallowed due to the referee feeling the puck was put into the net by a high stick.

Comets can now concentrate on their Alberta Major Intermediate Hockey League series with Sherwood Park Barons which is led 2-1 by St. Albert.

The new generation Steel Belted Radial

NEW STRONGER STEEL CORD
Seven brass-plated steel filaments wrapped around two and bound together with one more. Seven, over two, plus one. 10 steel filaments instead of 5 as in our previous steel belted radial.

BETTER BOND
The new 721 steel cord has more bonding surface for better rubber to steel adhesion than in our previous steel belted radial.

TORTURE TESTED
Proven for 5,000,000 test miles in the heat of the desert, on the test track, on rough terrain, on the highway and on city streets.

LONG TREAD LIFE EASY HANDLING
A more tear resistant rubber compound to isolate the belt motion and a wide tread pattern, add up to greater stability and long tread life.

LOW COST PER MILE
The long tread life means savings on replacement tires and low-rolling resistance of the 721 means extra savings on fuel costs.

St. Albert boys to demonstrate lacrosse at Games

Two players from the St. Albert Pee wee lacrosse team sponsored by CUPE will be taking part in the Commonwealth Games lacrosse demonstration.

Twelve year old Don Waters and 11 year old Dan McClain will join 15 other players of the same age, chosen from the five-team Edmonton league, for games against teams from Calgary, Scarborough and Coquitlam, August 10 and 11 in the Edmonton Coliseum.

Lacrosse is the official demonstration sport for the 1978 Commonwealth Games and the boys have been working hard at practice to make sure it is a success.

Try-outs for the team were held last summer and the boys were working out every

day for two hours to insure team cohesiveness. After all, with thousands of spectators looking on, they want to look as sharp as possible and they are hoping to sell the sport as best they can.

The five team pee wee league begins regular season play in May and playoffs are scheduled for July. All league play is during the week ensuring that weekends are free to allow parents the chance to get away from the city occasionally.

Extra equipment (over that already paid out for hockey equipment) runs to about \$40 or \$50 and this will last for about five years.

Box lacrosse (as opposed to field lacrosse) is played much like hockey without the officials and zone defense. It

has been described as the fastest sport played on two feet.

Sportshop and RMC Sports.

organized but exact times are not yet available until final arrangements for use of a school have been secured.

DAN MCCLAIN

The St. Albert association is forming one team in each of three divisions - Novice 10 and under, pee wee (11 and 12) and bantam (13 and 14) to play in the Edmonton league. Registration forms are available at the St. Albert

DON WATERS

The association could also use some sponsor help from local businesses or organizations. Anyone who can help in a financial way is asked to phone Lyle McClain, president of the St. Albert Lacrosse Association at 458-9163.

Weight lifting championships to be staged here

The Alberta Weight Lifting Championships will be staged in the gym at Sir George Simpson Junior High School on Saturday, April 15. The events got underway at 11 a.m. and will continue all afternoon.

Sponsored by the Alberta Weight Lifting Association, the championships are expected to attract about 30 entries, with all weight categories from 114 pounds to super heavy weight.

Darrell Schultz of Namao and Eric Rogers of Edmonton are both possible candidates for the Canadian Team in the Commonwealth Games. Both train with the Grierson Weight Lifting Club and both

are in their 20's. Darrell is in the Featherweight category and Eric in the Lightweight. They are already attempting Canadian and Commonwealth records, coming fairly close according to the Association's publicity officer, Dennis Hillman.

The Canadian Championships are only a month away and will be held in Moncton, New Brunswick in mid-May. Mr. Hillman also noted that this is Olympic weight lifting as opposed to power lifting.

Local lifters and fans will want to catch some of the action Saturday and Schultz and Rogers will be lifting in the first group between 11 and 1 p.m.

"1978 Ice Revue" delights large crowds

The annual ice carnival of the St. Albert Figure Skating Club took place on Saturday and Sunday at the St. Albert Arena. An entertaining program titled "1978 Ice Revue" was delightfully presented by over 80 boys and girls.

The show included several individual as well as group performances. Also included were demonstrations of the required 'figures' and 'dances' that the senior skaters must learn as part of their training.

Solo routines were performed by Susan Clark, Jerry Smith, Allison Lassiter and Joelle Tustin.

Free dance pair routines were performed by Garnet Boutette and Kristina Phillips and Kevin Mallnowski and Joelle Tustin. Jerry Smith and Patricia Boutette skated a compulsory dance routine.

A comedy duet was delightfully performed by Mary Joyal and Paula Peskewis.

Each of the group performances was based on some of the older popular songs with colorful costumes and appropriately designed for each song.

The tiniest skaters paraded and twirled to "It's a Small World," hoboos frolicked to "King of the Road," brightly dressed candy girls skated to "Candy Man" and sailors marched in their bright white sailor suits to "Yellow Submarine."

A group of "Alley Cats" swung their tails in another group performance, while Swiss costumes were colorfully displayed in a routine titled "Swissy Missy."

The young people who took part in this year's carnival worked hard and practised long hours to prepare themselves for the production. Congratulations are extended to them all for a job well done.

Mr. Ted Lotocki, representative of the St. Albert Junior Saints officially opened the ice carnival.

The assistance of the City Recreation Department and the arena staff throughout the year and at carnival time is also greatly appreciated.

A special thank you to professional staff members Carole Clark, Heather Mills and Margaret Stewart. The

club also expresses gratitude to Carnival Chairman Lorelle Phillips, Marion Haas and Janice McNeil, to parents, skaters and all those who devoted time and effort to

making this year's carnival a success.

Skaters who lost belongings at the carnival or during the skating season are asked to phone 459-6445.

Mite soccer tryouts set for St. Albert east

All mite age players living east of Highway 2 are invited to try out for the team which will represent St. Albert against other centres.

The first practice is set up for Tuesday, April 18 from 6:30 to 8 p.m. at Father Jan School on Mission Avenue.

Juvenile girls and boys who want to play soccer are

asked to come out to the Victoria Soccer Club (north of 137 Avenue on 142 Street) Sunday at 2:30.

Coaches for the various levels have now been selected and organizing is going forward on the house league.

House league games should be underway by the first week in May.

Everything we touch turns to SOLD

Nu-West Canadians win Provincial Pee wee title

Last week the Gazette ran a front page photograph of the Nu-West Canadians. The write-up on the Alberta Provincial Pee wee A champs was somehow lost in the shuffle of a hectic Tuesday and did not surface until the paper had gone to press.

So here's the play-by-play account - one week later.

The St. Albert Pee wee A reps this past weekend went undefeated in the round-robin provincial playoffs at Grande Prairie against teams from Medicine Hat, Red Deer, Crows Nest Pass, Fort Saskatchewan, and Grande Prairie, to take the Alberta championship.

The Nu-West Canadians qualified for this event by previously beating Leduc and Spruce Grove in regional play.

In their first game, St. Albert began slowly against Crows Nest Pass, falling behind 2-0 early before rallying, then taking control to win 10-6. Erin Oor produced a hat trick, while line-mate Tony Rouault scored twice.

Also hitting for two goals each were Tim Sebastian and Emmanuel Viveiros, while

John Lenz scored once. Assists were awarded to Lenz (4), Sebastian (3), Mike Lacroix (2), Darryn Ernest, Tony Baller, Craig Iseke, and Oor.

Canadians' second game, against league rivals Fort Saskatchewan, was a heart breaker, as St. Albert dominated the play and led for most of the game. However, with one goal which didn't appear to cross the goal line, and three powerplay goals, the Fort came back to tie the match at 5-5.

John Lenz again had a sensational game, scoring four times, while Viveiros notched the fifth. Sebastian collected three assists, with others going to Viveiros, Iseke and Ernest.

With just two hours rest, Canadians then came up against winless but determined Medicine Hat. St. Albert struck quickly in the second minute, but left the first period down 2-1. Again, however, they came back with style and finished strongly, led by an incredible five goal performance by Viveiros.

With two goals from Lenz, and one each by Sebastian

and Oor, they came through to a 9-3 win. Lenz and Sebastian also picked up four assists each, while others went to Iseke (3), Cameron White and Viveiros. Paul Burgess was very cool in the nets, producing several key saves.

Going into the final day, Grande Prairie, St. Albert, Red Deer, and Fort Saskatchewan all still had a chance at the title.

RED DEER PROVES STIFF COMPETITION

Canadians' first game was against the surprising Red Deer club, which had previously dumped the strong Fort team.

Playing with great determination, they kept St. Albert constantly on their toes, coming back from 2-0 to tie it early in the game; then rallying from a 6-3 deficit late in the second to go into the final frame down 6-5.

The third period was very exciting, but scoreless, and the Canadians managed to survive this crucial game.

Chris Lane had a good game in the St. Albert goal stopping 38 shots. Again, Viveiros was the sharpest forward, scoring four times, while Lenz and Sebastian counted the others. Assists were awarded to Lenz (2), Sebastian (2), Ernest, Baller, Lacroix, and Iseke.

As with some of their other games, St. Albert's main problem was being caught out of position defensively, leaving opposing players free in front of the net.

In another important game of the final day, the Fort edged Grande Prairie 4-2 in a very exciting match, with the fourth goal into an empty net. This set up the final game with St. Albert against Grande Prairie as the deciding contest. St. Albert needed only a tie to be declared provincial champs.

CANADIANS IMPRESSIVE IN FINAL

Although they started slowly against the hometown club, and were outshot 15-6 in the first period, the

Canadians came out of it down only 2-1 with Lane consistently coming up with solid saves. St. Albert's goal came off a pretty shot by

Rouault, who was fed from the side by Lacroix.

The second period was a complete turnaround, with Canadians catching fire,

consistently out-hustling and out-checking Grande Prairie. After only 28 seconds, Sebastian took a pass from

NHL playoff dates

The regular season of the National Hockey League has now been completed.

New York Islanders, Montreal Canadiens, Chicago Black Hawks and Boston Bruins all finished first in

their respective divisions, and all have a bye in the first round of playoffs.

Following are the pairings and dates for the best of three preliminary round games of the Stanley Cup

GUY LAFLEUR

KEN DRYDEN

Montreal Canadien super star, Guy Lafleur, won the National Hockey scoring championship for the second year in a row with 132 points, nine more than young Bryan Trottier of the New York Islanders.

Lafleur had a league leading 60 goals, while Trottier had the most assists at 77.

Leaf forward Darrell Sittler was third in scoring with 117 points, the most ever by a Maple Leaf.

Ken Dryden and Bunny Larocque of the Canadiens were the least scored upon goaltenders allowing only 183 and will jointly share in the Vezina Trophy.

Canadiens were also the highest scoring team with 359 goals while Islanders were the runner-ups with 334.

playoffs:

Thursday, April 13 - Red Wings.

Toronto at Los Angeles.

Saturday, April 15 - Los Angeles at Toronto. (If necessary).

Atlanta Flames vs Detroit

Midget soccer tryouts

Soccer season will soon be upon us and the push is on to form up St. Albert's representative teams.

The excellent soccer program under the auspices of the St. Albert Hercules Sports Association had produced many outstanding teams in past years and this year should be no different.

St. Albert Peewees, Bantams and Midgets were all involved in Provincial finals last year.

Any midget age players (born 1962 or '63) who want to try out for the team should phone Dieter Knobloch at 459-6597.

Thursday, April 13 - Detroit

Tuesday, April 11 - Detroit at Atlanta.

Thursday, April 13 - Atlanta at Detroit.

Saturday, April 13 - Detroit at Atlanta. (If necessary).

Ernest and Baller, and blisters a shot that was too hot for the goalie to handle.

Two minutes later, Viveiros fed a pretty pass to Ernest, who made no mistake with the first of his three goals in this game.

The next two St. Albert goals were also spaced two minutes apart, the first a well placed screened shot by Lenz, from Viveiros. The second, by Ernest, was from Iseke.

In the final frame, the disheartened home club just couldn't manage a rally of any sort, as the flying Canadians repeatedly took away the play. With two minutes elapsed, Oor banged home a pass from the corner by Rouault for a goal which visibly deflated any Grande Prairie hopes.

Five minutes later, Ernest completed his hat trick after

walking through the defense and cleanly beating the goaltender, to end the scoring at 7:2.

Canadians produced one of their finest team efforts of the season in this last game of the Provincials, with all three forward lines showing lots of good action. Defensively, Baller, White, Iseke and Ernest continuously kept the opposition off-balance.

Brian Chai, Willy Plage-man and Gordie Gramlich provided tenacious checking in aid of the cause and, for a change, St. Albert took only two minor penalties.

Coach John Sebastian, manager and assistant coach Lionel Rouault, and equipment manager Brian Ernest had every reason to be proud of the efforts of the entire club in the Provincials.

Nu-West Canadians now have to complete their drawn-out league playoffs and compete in a major tournament next weekend in Saskatoon.

Mr. Roy Klapstein, F.R.I., Manager of the St. Albert Branch for A.E. LePage Melton Real Estate Ltd., would like to congratulate Anne Gamborek for being top producer for the month of March. Anne is a member of the M.L.S. Million Dollar Club and a Melton Master Salesperson. Annes achievements and success make us proud when we say "Call LePage Melton and Start Packing." Runners-up in Saskatoon tourney

St. Albert peewees 'shown the game' by small Saskatchewan town

Just one week after bringing St. Albert its only provincial minor hockey title this year the Nu-West Canadians peewee rep team fared just a bit poorer at the annual North Stars tournament this past weekend in Saskatoon.

This year, the event, for both peewees and bantams, hosted 16 teams in each division, and the St. Albert club made but lost the final game in the peewee A event.

Although the Canadians never reached the form which won the Provincial for them, they were able to win their first three games in Saskatoon.

Thanks to the efforts of John Lenz, who scored all three goals, they managed a 3-1 victory against Saskatoon Blues in their initial match.

which was a bit slow and lack lustre.

The second game for St. Albert was a faster, more exciting session, although they had little trouble with the Melfort Missiles, in a 5-1 victory.

The third game, Saturday afternoon, turned out to be the most interesting game for the Canadians, against a strong Saskatoon Aces club, which had previously beaten a good Regina club, as well as the Fort Saskatchewan Nickel Kings.

Although they started off badly by giving Aces two goals from players left loose in front of the net, St. Albert struck back late in the first period to tie it with, first, a pretty backhand effort by Emmanuel Viveiros, then

blistering slapshot by Craig Iseke at the blueline, with just five seconds left. Darryn Ernest assisted both goals.

Thirty-two seconds later, in the second period, Canadians went ahead on a goal by Tim Sebastian. However, the Aces kept up the pressure and tied it again with a screened shot from a rush which penetrated the Canadians' blueline. Two minutes later, Saskatoon regained the lead with a nice corner shot and the period ended at 4-3.

St. Albert rooters recovered their spirits less than a minute into the third, when Viveiros worked the puck down the right side and directed a perfect pass to Willy Plageman, who converted it nicely. Then, with five minutes left, Viveiros demonstrated his patented "walk in from the corner and backhand" play for the eventual winner. Sebastian and Tony Baller assisted.

Aces pulled their goalie and, with 20 seconds left, Iseke popped a shot from the red line which Erin Oor deflected in for the final 6-4 score.

The final game of the Peewee A event was played in the venerable Saskatoon arena, St. Albert vs Asquith, Saskatchewan.

The latter, though from a small community, proved to be a big, close checking, and well disciplined club. Canadians really never got started against them, although some tougher checking would have helped.

Except for Willy Plageman Erin Oor and Tony Baller, Canadians just couldn't seem to slow down the Asquith players, who peppered a superbly playing Paul Burgess in the St. Albert goal. Except for Burgess, Canadians could easily have been down by three in the first period.

As it was, the Saskatchewan club struck twice in the second, then embarrassed

St. Albert by preventing even a single shot during a minute and a half of being short two players.

St. Albert's hopes began to fade early in the third, when Asquith went to 3-0, followed by a double penalty to Canadians. In those two minutes, Asquith literally poured the rubber at Burgess, who unfortunately took one on the ankle, then at Chris Lane, who was also called upon frequently during the two-short situation.

Midway in the final frame, Asquith notched two more, and it began to look like a rout. Then, with their opponents short two in the penalty box, Canadians put together a nice passing play involving Viveiros, Darryn Ernest, and John Lenz, with the latter getting the first St. Albert goal.

This was followed 20 seconds later by a good goal from the blueline by Craig Iseke, with Tim Sebastian assisting. However, this surge was St. Albert's last, as Asquith again regained control and even managed another goal, with 13 seconds left, to win 6-2.

A runner-up finish in a tournament of this size is still

a creditable performance, the second time Canadians have accomplished this this season. Now, the local peewees have only to complete

their league finals against Fort Saskatchewan this week, to finish things off.

Funtimers hockey at Akinsdale arena on weekend

The St. Albert Seals (some can actually balance pucks on their noses) and the St. Albert Aardvarks will be

hosting a tournament on the weekend at the new Akinsdale Arena for teams playing fun hockey.

Oldtimers rules will be in effect and a silver collection will be made at the door with

the proceeds going towards the community-recreation needs. Both the Aardvarks and the Seals will play Friday with the Aardvarks on the ice at 7:30 and the Seals at 9:30.

AL HAMILTON

RON CHIPPERFIELD

Quebec Nordique star, Marc Tardif, won the scoring race in the World Hockey Association with a record total of 154 points including a league leading 65 goals. Real Cloutier, a teammate of Tardif's, finished in second place with 129 points. Cloutier won the scoring crown last year with 141 points.

Ron Chipperfield was the Oilers top scorer with 87 points and also led the team in assists with 52.

Bill "Cowboy" Flett was the top Oiler goal-scorer with 41 and finished second in scoring with 69 points.

Blair MacDonald was named the Oilers most valuable player while Al Hamilton took home the most popular player award and the teams best defenseman. Hamilton had 54 points in the 59 games he played this season before being forced to the sidelines with an eye injury.

Eight teams will be involved in the activities which begin at 7:30 p.m. Friday night and run through until the final at 2:30 Sunday afternoon. The other teams come from Calgary, Edmonton, Spruce Grove and Stony Plain.

The Alberta Junior Hockey League announced Friday that John Fisher of the Edmonton Crusaders was

Fisher top A.J.H.L. coach

selected as A.J.H.L. Coach of the Year.

Fisher guided the Crusaders to a fourth place finish this season winning 30 games, losing 29 and tying one. Last year the Crusaders finished in the basement with only five wins in 60 starts.

JOHN FISHER

Sherwood Park picks up Winquist as back-up

Sherwood Park Barons have added St. Albert Comets sensational goaltender Carey Winquist to their players roster as a back-up goalie in the event Ed Dyck or Dennis Clelland are injured in the Western Canada Intermediate playoffs this weekend in Prince George, B.C.

Winquist allowed only 42 goals in 15 games this season and won the Rookie of the

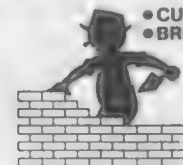

Year and the League's Best Goaltender awards.

Sturgeon Gazette

Stolen car ring smashed by RCMP

RCMP in Morinville and Edmonton have cracked a large stolen car ring which had been operating from a number of farms in the Morinville area.

RCMP have recovered this week nearly \$150,000 of stolen cars, taken from brand new car lots in Edmonton and Red Deer.

The cars had been stored in at least three local farms.

Charged with the car and truck thefts are Leonore Gibeault, 31, Morinville, Maurice Boissonnault, 21, Onoway; William Faulhafer, 18, Legal and Earl Noble, 34, "sometimes of Morinville" as Morinville RCMP relate.

The people charged with the vehicle thefts had appeared in St. Albert for a court hearing April 10 and they are scheduled to reappear April 24th.

RCMP in Edmonton and Morinville, suspicious about the car ring, were on to it as early as March 30.

Cars and trucks which had been found by the RCMP were definitely "for resale" and included luxury models like two \$19,000 Lincoln Continentals Mark Vs which has been found. Four snowmobiles were also found in the "take."

The vehicles had been kept in storage and serial numbers and plates were being changed.

Noble was the first to be

charged in the stolen car ring saga, and RCMP hinted that they were expecting more people were involved.

The first "hit" was made April 3 and Noble was up in St. Albert court April 5. He was facing counts on 15 charges of stolen possessions in Morinville court April 10.

Vehicles had been taken from their lots with the foolproof lock devices smashed.

Farm forum to be held at Calahoo

Unifarm's part in the annual meeting of agricultural producers from across Canada will be among topics introduced at a farm forum to be held at Calahoo - Gazebo Hall on April 18.

Farmers in the MD of Sturgeon area are urged to attend this important meet-

ing to express their concerns and to learn of recent developments intended to find solutions to current farm problems.

Unifarm, Alberta's "umbrella" farm organization, will conduct forums in most of its 67 districts in the period between mid-March and the end of April. Producer input at the series of meetings will be used in guiding the organization in its efforts to advance the cause of the agricultural industry.

During January and February a number of major developments occurred in the agricultural industry. Among those that are likely to receive attention at the meeting are the admission of the Alberta Cattle Commission to Unifarm and decisions reached at the annual Unifarm Convention and the CFA Convention, held recently in Quebec City.

Mr. Howard Falkenberg of Camrose, a member of the Unifarm executive, will be present for the meeting that will start at 7:30 p.m. in the Gazebo Hall. Representatives of member commodity groups, Unifarm and Women of Unifarm, regional and district officials, will also be present.

Major purpose of the forum series is to facilitate a flow of information from producers to those at the executive level who are charged with the responsibility of implementing action and policy that reflects the wishes of the farm community. Forums provide the opportunity for producers to pose questions to senior officials and to take part in a face-to-face discussion of current agricultural concerns.

Unifarm membership is not a requirement for attendance. All producers who are concerned about the future of their industry are invited to attend and take an active part in the meeting.

Ray REA liaison 'all in the family'

It's not a job to attract many people: the work is demanding, the benefits are few, but hundreds of men and women accept it every year. They are the secretaries of Alberta's 356 Rural Electrification Associations.

As employees and officers of REAs their duties range from keeping accounts, minutes and reports to arranging meetings, signing contracts and answering questions.

Eloise Borle is one of them. This active farm wife is responsible for the day-to-day business operations of the Ray REA. Her employers are the 271 co-op members who live in the rural area north and west of St. Albert and her wages consist of a small annual honorarium.

She and her husband Melvin have a mixed grain and cow-calf operation on 800 acres about 10 miles from town. Their 14 year old son Paul is the only other source of help for the farm.

Without prior experience in bookkeeping or secretarial work, Eloise accepted the position when Melvin became the association's president in 1973. The previous secretary had retired after 22 years, to pursue other interests.

"It's difficult to get people involved, they have so many other things to do," Eloise says. "When Melvin became president, the Board of Directors asked if I'd be the secretary, because it would be good for the association to have both officers in one household."

"When I started I wasn't sure how I'd manage but I had a lot of help and support from my husband and I wasn't afraid to ask questions when I didn't know what I was doing," she says.

"I've tried to handle the job one day at a time, calling on the Farm Electric Services (FESL) staff whenever I discovered something I didn't understand, learning procedures and business practices by trial and error."

Eloise's main source of information is Ron Martin, division rural supervisor for Calgary Power Ltd. in the St. Albert area.

Ron says the secretary's role is very important to the REA and a position which is highly under-rated.

"The REA secretaries are the contact between FESL and the customer. They contend with the practical business of the association, performing many functions for the members," Ron explained.

"The members benefit from the good working relationship between their secretary and FESL. They receive personal attention to their request and inquiries and have access to the secretary at times which are convenient for them, usually evenings or weekends."

"Most members simply aren't aware of the volume of work their secretaries handle so they don't appreciate the complexity of the job," he says.

While the job may seem to fall in the underpaid-overworked category, Eloise says she doesn't mind, she knew

ELOISE BORLE; secretary of the Rural Electrification Association for this area.

that before she started.

"It can be very satisfying when a customer is pleased and the work goes smoothly, you have a sense of personal accomplishment. And that can be just as nice as a public thank you."

Melvin Borle is obviously proud of his wife's work. As the president, he relies on her to call Board of Directors' meetings when business decisions must be made, to inform members of the REA's activities and to keep accurate records of their association's dealings.

"Farm people invested money to have power brought to their farms. They're proud of that and feel an

obligation to maintain the REA as a means of controlling their investment," he says.

"Our nine-member Board of Directors works together to provide direction and service to the REA."

"It's handy for customers to see Eloise and I at the same time. When important documents must be signed by the president and secretary they only have to make one trip and they can talk to both of us when problems or questions arise."

"We don't expect a lot of praise. We just want to get the job done for our members," he says.

Gibbons firemen to have a ball

Tickets are going quickly for the Gibbons Volunteer Fire Department's second annual Fireman's Ball, on April 29 in the Community Hall.

If you require a ticket, you have one location to buy them, that being the Bank in Gibbons.

The admission is just \$12

per couple, this includes a hot supper, spot prizes, a chance at a good door prize, and of course, a good time, as anybody who attended last year will tell you.

There is a limited supply of tickets on sale, don't be disappointed, get yours now. See you there!!!

Bon Accord will do fire safety checks

Following Village clean-up operations, the Bon Accord Fire Department plans to carry out inspections of all buildings within the Village as required under Bylaw #105. This bylaw which was passed April 4 deals with Fire Prevention and Extinguishment of Fires. The inspection program will probably take place in June. In the interest of safety residents are advised to become 'fire conscious' and eliminate

all fire hazards. Common causes of fire are - accumulations of rubbish both inside and outside buildings, improper disposal of ashes, storage of oily rags unless stored in a tightly closed metal container. Inspectors will also be on the lookout for faulty stove pipes and chimneys, obstructions to exits and storage of explosive or flammable substances exceeding the limits set out in Bylaw #105.

to the Editor

Redwater needs volunteer firefighters

There exists in this town of Redwater, a group of people that need your help.

No, they will not be knocking on your door selling you something or asking you for money, you have already paid them.

You may, and we hope, never need them, but if you do you will be very thankful these people are there and are willing to help.

Give up? Its your Redwater Fire Department and we really need help from some of the citizens of Redwater and I might add area.

The Redwater Fire Department desperately needs volunteer members to join us, both men and women. This may or may not shock you but if we had a major fire in Redwater we could be in serious trouble. Not that we would not get the help but we need trained people, people who know how and what to do in an emergency. That, ladies and gentlemen is where the problem exists.

Rumor has it that Redwater will be getting a rural fire truck, this truck will be manned by the Redwater Fire Department and at this time we do not have the people to man it. This is a great concern to the fire department.

It is the aim of the Redwater Fire Department to provide fire protection to anybody who calls. But we are only as good as our manpower permits, and right now we are low in that department.

The point of this letter is this, if you think you would like to help us fulfill our duty or if you think we might be able to help you please come and see us. We meet every Monday night at the fire hall at 7:00 p.m. and to coin a phrase you will be welcomed with open arms.

Please help us to help you.

Thank you
The Redwater Fire Department

Calahoo W.I. holds 188th meeting

By Liz McLeod

Thirteen members of the Calahoo Women's Institute met on Tuesday, March 28 in the Gazebo, and were sorry that Mrs. John Thatcher, Mrs. Werner Christen, Mrs. Harold Dalheim and Mrs. Myles Kerr, were unable to be present.

After repeating "The Creed" secretary Laura Campbell read the minutes and treasurer, G. Elsie Berry gave her report.

There were letters from the Sturgeon General Hospital Auxiliary, and one from our link in Sidford England, written by Mona Enfer.

Regarding the Matrimonial Bill the W.I. had letters from opposition leaders, Joe Clark of the Progressive Conservative Party and Grant Nottley, from Alberta's NDP party, who were in accordance with Alberta Women's Institutes, who think that piece of legislation should have changes in it made.

Then on to more business and preparations for the forthcoming Cash Bingo, Wednesday, April 19 in the Church basement hopefully beginning at 7:30 p.m., with all proceeds going to Cancer Research.

The W.I. group will serve a free lunch after the 20 games of bingo are played.

Since March was Red Cross month, the group voted to donate \$35 to this worthy organization.

There was discussion on preparations too, for the forthcoming Constituency Conference being held in

Calahoo, on Wednesday, May 3 with registration up to 10 a.m. that morning.

Also, there was a recommendation which will be brought forth at the Prov. Convention in Olds, proposed by Mrs. K. Mary Dalheim, with regard to pressuring the Alberta Government, to help ambulance drivers and workers.

The secretary was asked to send an invitation to Onoway's W.I., since they will be our visitors this year.

Mrs. J. Stephanie Shenfield read a clipping from Uncle John of the Garden Park Farm, Alberta Beach, re-helping crippled children, but this was tabled.

Betty Albrecht was asked to fashion a wishing well, which will be used at the Constituency Conference so members can donate towards Alberta Women's Institutes (A.W.I.) paying for the digging of a water well in Kenya.

Elsie Berry had only 11 ticket books to distribute to the members so they can sell tickets on the quilt donated to the Sturgeon General Hospital Auxiliary. Members doing mending, brought their bags back for Elsie to deliver.

The roll call of "Something Irish - wear or say," was answered by several, and the rest paid the two bit fine for not complying.

Stephanie Shenfield won the door prize brought by Mrs. C. Bergstreiser and Lina got hers which Betty forgot last meeting.

There's always a lot of

visiting, when the men and ladies get together for the bounteous lunch hour. Mrs. J. Emma Dalheim was honored for her birthday and many secret pals Easter cards were passed around. It was also Tona Christen's birthday but she was absent.

The April 25 meeting of Calahoo W.I. will be held in

the Gazebo on Tuesday evening at 8:30 p.m., with Emma Dalheim as our hostess.

The roll call will be an exchange of seeds, and the topic will be the Constituency Conference.

Visitors are always welcome.

R.Q.B. Beef Club

By Janet Perrott
Club Reporter

On February 16 the Riviere Qui Barre Beef Club held their speak-offs in Camilla School. In seniors Kim Wakamura took first place, Gail Fuhr second, and honorable mention went to Rob Bremault. Junior placings, Janet Perrott first, second Donna Sasgas, and honorable mention went to John Stevens. Kimi Wakamura went on to compete in the Sturgeon level where she placed first and placed

second in the Northwest region.

On March 19 the Beef and Horse clubs held a Ham and Cash bingo along with an Italian raffle for a fund raising activity. After lunch was served which everybody thoroughly enjoyed. We would like to thank everybody who came out and helped support the bingo.

The Beef Club will be having a tour on March 31 and during the spring break members will be going to the rodeo. Our next meeting is to be held on April 5.

Weed sprays: the cause of thistle problems?

By A. Arlow

Remember, as a kid, being sent out to pick thistles? Gunny sacks would be filled 'till every promising plant was gone -- then came the wonder of weed sprays!

They are a wonder -- and a nuisance tool. They're supposed to keep thistles and noxious weeds down, but the roadsides and junk piles behind the garage are full of them. The fields are clean, hopefully, but they don't stay clean because of wandering seeds from the junk pile!

Though, through legislation passed in 1973, roadsides are the "local authority's" responsibility, you have a responsibility as a farmer ...

Section 27 of the Weed Control Act states: "Every occupant of land, or if the land is unoccupied, the owner thereof, shall destroy all noxious weeds and weed seeds growing or located thereon as often as may be necessary to prevent the spread, growth, ripening and scattering of noxious weeds or weed seeds."

Section 32 states the movement of machinery which may cause spreading of seeds is prohibited, and we all know an inspector can spray our crops himself and charge the owner or tag the cost onto the taxes, whichever is possible.

There are some 49 sections to this act, and breaking any one which applies to you, the farmer, can bring a fine of \$500.00!

If you've got a bad thistle problem in your area, drop in or write a letter to your D.A. saying you'd like the municipality to employ some students for the summer to "Clean up!" Or maybe you'd like to employ a student for the summer through the Summer Farm Employment Program.

I hope you'll "state your case" -- for the unemployment problem and for a more enjoyable countryside -- not to forget less dockage at the grain elevator!

"I REALIZE YOU USED TO WORK FOR A GROCERY STORE, SIMPKINS, HOWEVER, WE DO THINGS A LITTLE DIFFERENTLY HERE AT THE FARM."

1st Calahoo brownies have active year

By Liz McLeod

Calahoo is just buzzing with activities and now there is news from the 1st Brownie Pack. The pack was formed last September, under the capable leadership of Mrs. Kathy Patrick of Calahoo and they hold their meetings at the Gazebo.

The badge requirements lead the girls to learn skills which will enable them to be knowledgeable and useful members of our society. They are learning to do a little cooking and to help around the house, keeping their rooms tidy, and learning other chores. These include practical items, like setting a table, being a good and courteous hostess, wrapping a parcel, or sewing on a button. Safe ways of handling and lighting a candle and handling the kitchen stove are to be learned, too.

All the girls have begun to learn to crochet, which they hope to master soon.

The Brownies went on a mother-daughter snowshoe outing, on a wonderfully wet day in February, which was great for snowflakes and snowballs, but a bit too wet for a long snow trek. (By the way, the moms lost the

snowball fight).

BAKE SALE HELD

The mother's committee, arranged a bake sale in February, which was a great success and really helped their financial situation.

Many thanks go to all who attended and supported this sale.

Great plans are in the offing, with two overnight camping trips, to be held in May. One will be to Lake Wabamun and the second to Jasper, in which they will travel by train.

The Girl Guides of Canada annual cookie sale day is also coming up on May 6. Our Calahoo Brownies will be covering Calahoo and surrounding areas, giving those interested, an opportunity to purchase them.

If there are any girls between the age of 7 and 10 years old (grade 2 and up), who might wish to join this worthwhile organization, they may contact Kathy Patrick at 967-2000.

The next meeting of the 1st Calahoo Brownie Pack will be held in the Gazebo on Tuesday, March 28 from 5 p.m. to 7 p.m.

If there can be enough interest sparked in this community, there are also plans to hold a used paper drive, so if any and all would like to save and bundle their old newspapers, magazines etc. and contact Kathy, they would be contributing to this enthusiastic organization.

We congratulate Kathy and the girls, may your organization grow in number and in deeds.

M.D. of Sturgeon #90 Logo Contest

This contest is open to any student attending school in the M.D. of Sturgeon:

Sturgeon School Division
Thibault School District
Legal School District

The winning logo will become the official logo for the M.D. and will be seen on their letterhead, business cards, vehicles, etc. M.D. and 90 should be included in the logo.

The best 3 logos will receive:
\$75.00 - 1st Prize
\$50.00 - 2nd Prize

Public Notice

The Water Resources Act Groundwater Diversion

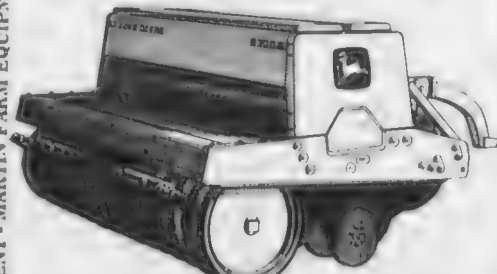

Municipal District of Sturgeon No. 90 has obtained an Exploration Permit to make necessary examinations and surveys under The Water Resources Act to determine the feasibility of increasing their diversion from a possible maximum of 60,000 Canadian gallons of water per day (81 acre-feet per annum) to a possible maximum of 187,200 Canadian gallons of water per day (252 acre-feet per annum) from a well(s) on the NW 24-55-25-4 for municipal purposes.

Notice is hereby given that should the examinations and surveys prove successful application and plans will be filed under provisions of The Water Resources Act for a license to construct the necessary works to divert water in the amount stipulated above.

Any person having a bonafide interest in the matter may file objections with the Controller of water Resources, Department of The Environment, Oxbridge Place, Edmonton on or before the fifth day of May, 1978. Please quote file number 17666.

MARTIN FARM EQUIPMENT - MARTIN FARM EQUIPMENT

Multiply 9000 Drill capacity with a 2-, 3-, or 4-drill hitch

When you multiply 9000 Series Drill capacity with one of John Deere's Multi-Hitches, you also multiply the type of seeding accuracy only John Deere Drills can give you. 9000 Series Drills, available in 8 or 10-foot widths, combined with a John Deere Multi-Hitch can let you speed up to 40 feet each pass.

The 9300 Plain-Grain Drill carries 2.8 bushels per foot. If you prefer a combination drill, choose the 9340. It carries 3.4 bushels per foot and provides two ratios of grain to fertilizer with a reversible divider panel. Choose from hoe or disk openers, six types of press wheels, row spacings, and many attachments.

Better seeding also comes from John Deere's fluted feed-cup, high-flotation, 26-inch-diameter press wheels; and traditional John Deere reliability. Stop in soon and see for yourself.

Good Selection of
Late Model Used Drills

Where are we going in Agriculture?

Recent annual meetings of Unifarm and the Canadian Federation of Agriculture reviewed and developed policy directions that reflect concerns of the agricultural industry during the past year.

If you are concerned about the future of your industry, you are invited to hear how Unifarm and the Canadian Federation of Agriculture are meeting the challenges ahead. Play your part in shaping the future of the industry by joining your neighbors in a Unifarm Forum at -

Harvey Ash dead at 52

By Norma Crozier

On March 23, 1978, Harvey John Ash of R.R. #4 Edmonton, passed away after a brief illness at 52 years of age. Born at Nacmine, Alberta on April 20, 1925, he was the youngest son of Mr. and Mrs. Frank Ash. The family came to live on their acreage north of Edmonton in 1930 when Harvey was five years of age. He attended the Turnip Lake School. On October 23, 1945, he was married to Mary Horricks of Westlock, Alberta and they moved only a half mile south to their acreage home where they raised their family of three daughters and one son.

Harvey spent many years in the potato business, first working for Macdonald's Consolidated and then he was instrumental in forming the Edmonton Potato Growers Limited, with which he spent six years. Since that time, he's been with the Commercial Vegetable Co-op selling fertilizer to farmers in the area.

Always interested in the community around him, Ha-

rvey took an active part in the Namao School and Community League and was one of the five original directors when the League was formed. He was the manager of the Namao Seniors hockey team for many years and continued to follow the progress of the team after giving up the managership last year. Harvey enjoyed weekly curling with neighbours and friends and in the summer was a keen gardener. In the past few months, Harvey and Mary enjoyed travelling, in October 1977 they spent four weeks touring England, Scotland, France and Holland and in February, 1978 they holidayed with friends in California and Arizona.

Harvey leaves to mourn his loss, besides his loving wife Mary; three daughters, Vicki and her husband Gary Hoover of Fort McMurray; Connie and her husband, Jim Walter of Edmonton and Dianne and her husband Patrick Guidera of Edmonton; one son Gary and his wife Evelyn of Vancouver; five grandchildren, two brothers, Gordon and Melvin of

HARVEY ASH

R.R. #4 Edmonton.

Funeral services were held on March 27, 1978 from Foster and McGarvey Funeral Chapel with Reverend John Bergman officiating. Cremation took place in the Foster and McGarvey Crematorium. Pallbearers were Harry Cresswell, Bruce Porter, Bud Horricks, Harold Coppin, Bob Stanton, Bob Milne, Robert Huff and Ken Butler.

Miss Char-Ek Aiglon 20J, owned by Fred Radke of Picardville, placed as the Reserve Champion Charolais female at the Canadian

By Norma Crozier
Namao Church is planning a "Family Night," social evening for the whole congregation for Friday, April 28 at 7:30 p.m. in the church. The main part of the program will be the Krellers' slides of the Holy Land.

Petty Officer Maurice Lowe, son of Mr. and Mrs. Richard Lowe of Namao, who is stationed at H.M.S. Patriot, Victoria, British Columbia was recently awarded the Queen's Jubilee Medal. Maurice received this medal for outstanding service while serving in his capacity as a medic in the Reserve Navy.

Mr. and Mrs. Roy Davis have returned from Palm Springs, California where they spent the last six months in their winter trailer home.

Mr. and Mrs. Jack McLay enjoyed a motor trip to their daughter Audrey's home at Langley, B.C., spending Easter with Audrey and her husband.

Mr. and Mrs. Howard

Samis are back from holidaying at Chilliwack, B.C., with their daughter Shirley-Ann, her husband and family. They also visited at White Rock, B.C., and were able to enjoy many early spring blossoms.

Alcomdale News

By Beryl Bailey

Easter visitors during the holiday school break included Mr. and Mrs. David Campbell and family of Grande Prairie, and Mr. and Mrs. K. Thew of Edmonton and children, enjoying a visit with their parents, Mr. and Mrs. A. Campbell.

The Thomas Spargos enjoyed a trip to Penticton and other points recently. There they visited Mr. and Mrs. Dewey Spargo and Mr. and Mrs. P. Spargo in Penticton, going on to Kelowna to visit Mr. and Mrs. B. Spargo. They report good weather and good roads.

The Alcomdale Community League held a supper on April 2 in their hall. A very

good turnout resulted for the meal. The League extends their thanks to those who patronized the supper.

Mrs. J. Burrows entertained at supper in the form of a birthday meal in honour of her son, Jimmy, who celebrated his fourth birthday on April 6 but held the party on the 5th. Present were Marlon Doidge, Thomas Lister and Mrs. J. Doidge with daughters Michelle and Heather.

Spring is trying hard to put in an appearance but except for the odd sunny day so far can't make it. The snow is about gone but frosty mornings persist. The grass is showing green in spots so perhaps one day soon delightful spring days will become a reality.

Around Sturgeon

Western Stock Show held at the Edmonton Exhibition Grounds the last week in March.

And those are workhorses, too. Because the MF 1855 has a twin cylinder 18 hp engine to deliver more torque for more usable, working power. 54"-wide trim-line mowers practically eliminate skips and scalps and make short work of cutting grass or weeds. And the MF infinite range Hydra-Speed hydrostatic transmission works along with a "memory" (we'll explain that when you get here) to help you save time on a lot of heavy jobs. See our full line of 8-18 hp lawn and garden tractors. And put more usable power to work 'round your place.

The new twin cylinder MF 1855 gets more usable power out of 18 horses.

Horse Hill News

By Esther Wallbank

Tickets for the family dance on April 15 are all sold out, and we look forward to having an enjoyable evening.

Spring is just around the corner and everyone is beginning to think about gardening and things outdoors so the quilting class has been postponed until fall, probably October.

Don't forget the Women of Unifarm conference at Sunnyside Hall on Friday, April 14 at 1:30 and the Unifarm forum at the Gazebo in Calahoo on Tuesday, April 18 at 7:30.

Congratulations to Shirley and Neil Henderson on the birth of their first, an 8 lb. 11 oz. daughter, mother and baby both doing fine.

Laverne Nikiforuk and Ruth Buchanan walked off with first prize at the Edmonton Regional Science Fair on the weekend. Their project 'Studies in Memory' was tops in the Junior High category. Laverne and Ruth are in grade nine.

Honorable mentions went to grade seven students Lee Anne Cox and Dani Remier for their experiment 'Testing for natural seed germination inhibitors', and Elaine Bilobrowka (grade 8) for her project 'The effect of common drugs on plant growth'.

Alcom- dale 4H Beef Club News

By Mark Davidson

The regular monthly meeting of the Alcomdale 4H Beef Club was held on March 13 at the home of Mr. and Mrs. George Sim. Business for the evening included discussions on our Achievement Day and Sale, June 11 and 12. We discussed whether the club members would be willing to do another highway clean-up this spring our new club crests; and our trip to town for an evening of roller skating. Mr. Tomten offered to take one of his buses. Lunch was served.

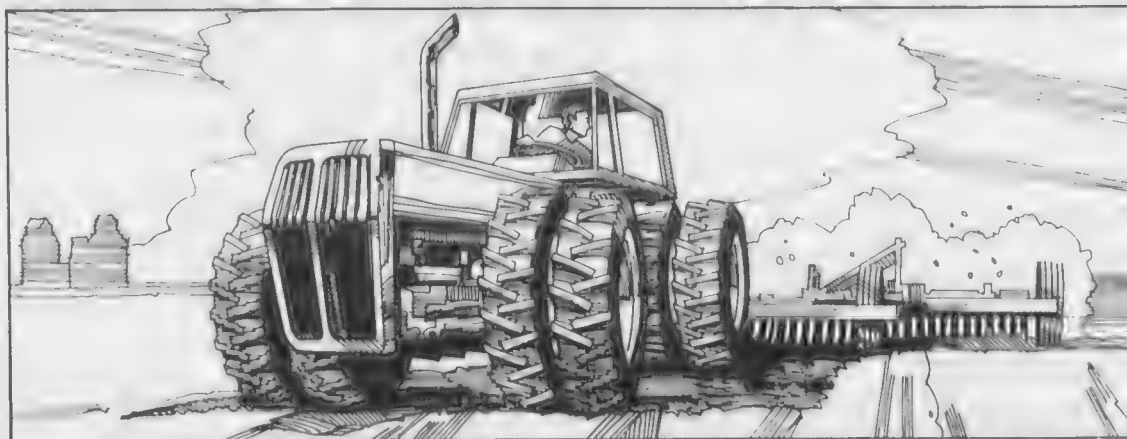

Tuesday, April 28 was a lovely day for our club tour though most yards were still muddy. Starting at 12:30 at Arlows we viewed each club calf and the members told what they were feeding their animal. From Arlows we went to Tomtens, Davidsons, Sims, Goneks, Malners and Meakins. The members then judged four steers and four heifers at Meakins with Mr. Fred Radke as our judge. Everyone thanks you Fred, even if we didn't all agree. Lunch was served by the parents afterwards.

On March 30, the 4H club sponsored a Farm Safety Seminar at Independence Hall. Elizabeth Webster and Trevor Anderson, from the department of Agriculture, showed films. We also had group discussions and questions. Though we had a small crowd, the afternoon was thought to be very beneficial by those who attended. Coffee and doughnuts were served.

NEIL J. FLYNN

I WANT TO HELP YOU MAINTAIN YOUR VALUABLE EQUIPMENT.

I know that you've got a lot of money tied up in equipment. And you've got to make it last.

That's where I can help. Esso makes a full range of quality petroleum products to help keep your equipment in top operating condition. And all of them meet or exceed most manufacturer's warranty specifications. So you're always 100% sure with Esso.

For your diesel equipment I'd recommend Essolube XD-3. It's a premium quality motor oil with an additive package to give your engines

the protection they need.

I'd recommend that you standardize on XD-3 for all your diesel equipment so you'll always be sure of using the right oil.

For hydraulic system, Esso makes Hydraul. It contains additives to guard against scoring, rusting, foaming and wear. And you can use it all year round, because it's formulated to resist temperature extremes.

And for an all-purpose grease, I'd recommend Unitol for all your equipment. It will withstand

operating temperatures from 350°F (175°C) to -30°F (-35°C) so no matter what the temperature is outside, you know your equipment is getting the protection it needs.

If you have any questions about which lubricants you should be using, check with me. I want to help you maintain your valuable equipment.

Your Esso Agent...
A man you can count on.

Peewees end season on winning note

Elite Carpet Blades finished their season in fine style by taking first place in the second annual Elite Carpet Peewee tournament. The Morinville crew defeated Gibbons and St. Angela KC to reach the final against St. Albert RMC Saints. The final was a well played game with St. Albert taking a brief 1:0 lead with a goal by R. Couture. Morinville got the equalizer with a goal by Rick Mulligan and then Chris Bokenfohr, David Ihle and Marshall Lalonde each scored for Morinville to make the final score 4:1. Both teams are congratulated for the cleanly played game.

Other games in the tournament saw Meadowlark defeat St. Angela KC to take third place and Athabasca defeat Gibbons to take fifth place in the tournament.

The tournament games were followed by a banquet organized and sponsored by Mr. Martin Somers of Elite Carpet. Trophies were presented to both St. Albert and

Morinville players while the tournament's most valuable player trophy went to Chris Bokenfohr of Morinville with Todd Carnelley of St. Albert a close runner-up.

The players and management of the Morinville peewees wish to express their thanks to Mr. and Mrs. M. Somers for their support of the team throughout the season.

New books at Morinville Library

The Complete Indoor Gardener. Ed. by Michael Wright. This book has all the answers to those who have growing indoor plants. There is guidance on how to grow and care for plants, how to feed, water, on pots and potting, heat, light, pests, diseases and the tools to use. There are many illustrations. House Plants For The Purple Thumb by Maggie Raylis. A simpler book, well organized and easy to read. The author knows her plants and their care and writes very amusingly as well. Macrame. The Craft of Knotting by Jacqueline Short. This book takes the reader in simple steps from basic knots to a point where one should be fully competent to manage complex designs and create new patterns. Memory Meadows by Gr-

ant MacEwan. A book of real stories of real horses. Thirty-seven stories in all of interest to young and old and to suit all tastes in horseflesh. Thoroughbreds, Arabians, Clydesdales, jumpers, broncos, RCMP stalwarts, farm horses, and race horses. Many that were famous like Northern Dancer and Pinnacle Edmonton's own gold medal winner.

Intermission by Anne Baxter. The true story of award winning film star who married an American rancher and moved to the Australian outback. The loneliness of being a woman in the kitchen, in a country of man outdoors.

Oliver's Story by Eric Segal. The sequel to "Love Story" that lovely little book which later became an award winning movie. "Oliver's Story" is also being made into a movie.

QUOTE

"A great many children go to school to learn to read novels."

R. D. Cumming, writer.

Pictured above are the winners of the recent skate-a-thon held to raise money for renovations to the Morinville arena. Left to right, top row are Tim Quinn, Gisele Pomerleau, Waler Enright, Kathy Phillips and Kevin Ramer. Front row, left to right are Maurice Chevalier, Shauna Mildner, Jorie Gibeau and David Scott.

Skate-a-thon winners receive awards

By Margaret Yacyshen

The results of the skate-a-thon held in Morinville on February 26 were announced last Wednesday at the Ag. Society meeting. A total of twenty-one hundred dollars in pledges has been collected so far but approximately seven hundred dollars is still outstanding and hopefully will be turned in. All proceeds are being used for overall renovations of the arena.

Presentations were made by the Ways and Means committee to winners in the various categories. A trophy plus a 10 dollar cash prize was awarded to the participant in each age group with the most money collected as well as to the one with the most sponsors. The winners were as follows:

LIST OF WINNERS

Six years and under, Most Money - Maurice Chevalier; Most Sponsors - Shauna Milner; Seven to Nine years: Most Money - Jorie Gibeau; Most Sponsors - David Scott; 10 - 12 years - Most Money - Kevin Ramer; Most Sponsors - Kathy Phillips and Kevin Ramer.

A special trophy is being presented annually to the skater who collects the most money overall. Walter Enright was this year's winner.

The Ag. Society considered this year's skate-a-thon to have been very successful. It has been suggested, however, that this annual event be held in the early fall before the hockey season begins in the hopes of drawing a greater number of participants.

Beards face off at Frontier Daze

By Margaret Yacyshen

A Beard Growing Contest has been added to the agenda for Morinville Frontier Daze which will be held on June 24 and 25. Any men having a full trimmed beard are eligible to participate. Trophies will be awarded to

the first, second and third place winners with the judging to take place on Sunday, June 25 on the Frontier Daze grounds.

There is no entry fee. Anyone interested is asked to submit his name in advance by phoning 939-4333.

By Margaret Yacyshe
Minor baseball, fastball, and T-Ball registration will be held Saturday, April 15 at 10 a.m. in the Morinville Arena. For additional information, Roger Blackburn may be contacted at 939-4146.

Any persons interested in forming an Art Club in Morinville are invited to an informal meeting on Monday, April 24, at 8 p.m. in the Historical Centre (former Convent). All ideas and support are welcome and further information may be obtained from Jeanine Chalfoux at 939-4562 or Pauline Pike at 939-3519.

MINOR HOCKEY BANQUET

The minor hockey banquet is being held tonight at the Recreation Centre beginning at 6:30 p.m.

Anyone still interested in joining the \$200-a-month club can contact MaryAnn Enright at 939-2000.

PEDAL PUSHERS

The Pedal Pushers program will be sponsored again this year by the Kinsmen Club of Morinville. The course will start in the beginning of May and consist of eight lessons over a period of four weeks. After completion prizes will be awarded to the most improved riders. Letters will be sent to Notre Dame School to enable grades 1 - 6 to register. A separate class will be held for pre-schoolers offering basic instructions in riding a

Georges P. Vanier News

By Lise Houle and Carmen Schafers
Our high school did very well in the gymnastics competition held in Drayton Valley last Saturday, April 8. Congratulations to the following students: Scott Caldwell - 1st, novice pommel horse; Glen Bulger - tied for third place in vault with Scott Caldwell; Remi Boissonnault - 1st, parallel bars; 2nd - novice vault; Gigi Boissonnault - 4th, novice beam; Colleen Van Brabant - 4th, novice vault; David Morris - 1st, floor; 2nd, pommel horse; 4th, high bar; 4th rings. In total points, David also placed second amongst the novices. Louise Carignan placed first in the novice vault.

G.P.V. also took home the trophy for overall points. Again, a big "congratulations" to all those who participated.

Just a warning to all the citizens of Morinville - if you happen to be looking out your window on Friday and spot a bunch of old fashioned kids, don't be surprised, because April 14 is Greaser Day at Vanier! So remember all you high school greasers to get your outfits ready for the greasiest day since Brylcreem was invented! And bring your dancing shoes too!

bicycle. To register or obtain further information, Brian Atkinson may be contacted at 939-4055.

GREEN UP CAMPAIGN

Members of the Kinsmen Club are offering their services in a Green-Up campaign to be held April 22 and 23. They will power rake, aerate and fertilize grass, both back and front, for any interested town residents. The fee is nominal and proceeds will go toward the development of Glenview Park. Advance bookings may be made by phoning 939-4055 or 939-4606.

Terry and Deb Krauskopf are proud to announce the birth of their son, Bradley Joseph on March 30, 1978. A brother for Jeff.

The juvenile girls and boys provincial volleyball playoffs will be held on April 22 and 23 at Georges P. Vanier. There will be five boys teams and four girls teams competing from Morinville, Lethbridge, Drumheller, Wetaskiwin and Calgary. The provincial winners go to Moncton, New Brunswick for the National Finals.

Tickets are still available from Lions club members for the Charter Night to be held this Saturday evening at the Legion. The cost is \$15 a couple and includes a banquet and a dance with music

by the Soundtrack +2.

Gary and Donna Clark are pleased to announce the arrival of their son, Matthew Warren, born on April 5, 1978 at the Charles Camsell Hospital and weighing 7 lbs. 14 ozs.

SOCCER FOR MORINVILLE

There has been interest raised for soccer teams in Morinville to play in the newly formed Sturgeon Minor Soccer League. Application forms are now available at Notre Dame School for boys wishing to play. Teams will be organized as follows, with ages as of January 1, 1978:

Mini Mites - 8 years and under; Mites - 10 years and under; Peeewees - 12 years and under; Bantams - 14 years and under; Midgets - 16 years and under.

NOTE: These teams cannot develop without coaches and referees. Anyone interested in being a coach or referee or wishing more information is asked to contact Jim Newman at 939-4317.

The Curling Club will hold a wind-up banquet and dance on Friday evening in the curling rink beginning at 6 p.m. In error last week's column stated that this event was open to the public whereas it is restricted to club members and escorts. Tickets are available from

curling club executive.

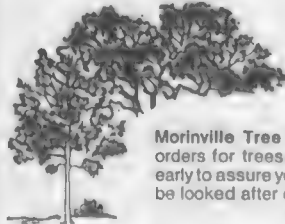

The annual meeting of the Curling Club will be held on Wednesday, April 19 at 8 p.m. in the curling rink upstairs. Officers will be elected for the coming year and the financial statement will be presented.

Anyone with news items is asked to contact Margaret Yacyshe at 939-3047, Mail Box 100 Morinville or stop in at 9715 - 99A Avenue.

DENIM SEW COURSE

Sturgeon Regional Recreation is sponsoring a Denim Sew course with the preliminary being held at 1 p.m. on April 20 in the Committee Room, MD of Sturgeon Building. The actual sewing days are May 3 and 4 from 9 a.m. - 4 p.m. The fee for the course is \$11.25. To register phone Diane Houle at 939-4575.

Parent-teacher interviews will be held at Georges P. Vanier, Monday, April 17 from 1 - 4:30 p.m. and 6 - 8 p.m.

PUBLIC NOTICE THE TOWN OF MORINVILLE

Intention to Construct Local Improvements

PURSUANT to the provisions of Section 153 of The Municipal Taxation Act, R.S.A. 1970, Public Notice is hereby given that the Council of the Town of Morinville intends to undertake the construction of monolithic sidewalk, curb and gutter and commercial street paving as local improvements. The estimated cost of the aforementioned local improvements is \$198,600. A grant in the amount of \$87,100 will be received from Alberta Transportation and the remainder will be repayable over a period of twenty (20) years at a rate of interest not exceeding twelve per centum (12%) per annum and the lands abutting that portion of the street or place wherein the local improvements are made will be charged at the uniform rates per foot of assessable property over the said period of twenty (20) years as listed below.

All costs in excess of the special property assessments will be borne by the Town at large. The locations of the proposed local improvements are as follows:

TOTAL				204.7 ft.	2,084.5 ft.

NOTICE is further given that unless the majority of the owners of the lands that may be assessed therefore, representing at least one-half in value thereof as aforesaid, petition the Council against them within two weeks after the last publication of the Notice, the local improvements may be undertaken and the costs thereof assessed by the system of assessment referred to in this Notice.

If no petition sufficiently signed has, within the time limited in that behalf, been presented to the Council against the local improvements or assessments aforementioned, the Council may undertake the proposed local improvements at any time within three years of the giving of the Notice.

Date of the last publication of this Notice will be the 12th day of April, 1978. DATED at the Town of Morinville this 29th day of March, 1978.

Gibbons News

By Karen Hogg

The Coronado U.C.W. Unit 11 are holding their annual Mother's Day tea, bazaar, bake sale and plant sale on Saturday, May 13 at the Coronado United Church Hall from 1:30 to 4:30 p.m. The admission fee is adults 75¢ and children six to 12 will be charged 50¢.

Church services are held every Sunday at 11 a.m. at the Coronado United Church. Sunday school for kindergarten to 14 years of age, same time as the church service. Directions from Gibbons is four miles north on Highway 28 and ¼ of a mile east.

The Gibbons Cubs will be holding a flea market April 22 from 1 to 4 p.m. in the Gibbons Community Hall. Hot dogs, pop, coffee, tea, bake table and games plus valuable items at reduced rates are some of the things which will be going on at the hall. Come one, come all to this annual affair.

Anyone having items for our Flea Market can bring them to the Hall the morning of April 22 or phone Sue Miller at 923-2633 or Joyce Aysan 923-2109 for prior pickup.

FINAL GIRLS & BOYS BALL REGISTRATION

Final registration for girls softball and boys baseball will be held on April 13, 1978 at 8 p.m. in the Gibbons Community Hall. A birth certificate or Alberta Health Care number is required when registering your child for ball. A coach for the 10 and under girls is still required, anyone wishing to coach 10 and under girls can contact Elaine Zutz 923-2651 or John Martens at 923-2185. Coaches for the 12 and under and 14 and under boys is also required. Anyone wishing to coach boys 12 and under 14

and under can contact Frank Bibaud at 923-2232 or Donna Sidor at 923-2508. This will be the last registration night so come out if you want your child to play ball this year. If no coaches are available for the 10 and under girls team registrations will not be accepted for that age group.

On Saturday, May 6, the Gibbons Nursery School will be holding a bake sale and bazaar from 6 to 7:30 p.m. and following at 8 p.m. a bingo in the Gibbons Community Hall. Everyone is welcome to attend.

Gibbons Minor Hockey is now over for another year and many thanks go to all the coaches and to the parents who came out and supported the teams. The minor hockey board agrees that we should start looking for coaches for the 1978-79 season right now. So if anyone is interested in coaching a team next year, please pick up a form from George Fraser at Knott Insurance in Gibbons. The forms must be filled and left with George by April 30. Have a good summer and we will see you next fall!

The Local Association for Brownies and Guides mothers will be holding a meeting on April 17 at 7:30 p.m. in the Legion Hut. This meeting will be discussing camp among other items and all mothers are urged to attend.

The Gibbons Sunday School Circle are unable to find one of their red choir gowns. If anyone knows the whereabouts of this gown, please contact Mrs. Crosbie or drop it off at the Sunday School. Thank you.

Remember April is Cancer month and volunteer canvassers will be calling on your residence for a donation.

Feeling better wishes are

extended to Mr. Bill Williams who is in the Fort Saskatchewan Hospital.

Congratulations to Phil and Freida Roskewich on the birth of a second son Corey James, 8 lbs. 6 ozs. on March 28. Brother for Robbie.

Get well wishes to Mrs. Bea Simmonds and Jean Knott.

A baptism service on April 9, 1978 at Emmanuel Anglican Church for the infant son of Mr. and Mrs. Larry Boettger. He was named Brent Allen.

The Gibbons Legion bingo jackpot of \$125 was won at the regular bingo of Thursday night, April 6. The next bingo to be held on April 13 will be for polio. All proceeds from this bingo will go to help the polio cause. Please advise your friends and help us make this a big success. The jackpot will again be for \$125.00.

The Gibbons curling group that curled in Redwater during the winter (12 teams), finished the season with a bang-up bonspiel on Saturday, March 25. The Pat Sprague rink consisting of Jerry Hostyn (skip), Bob McEwen (third), Pat at second and Snip Loblick playing lead. Bill Courtney and his Go Go Gang won the second event. There were prizes for all and everyone seemed to enjoy the day. Thanks to the Redwater curling committee and to the caretaker (Bill) for their fine co-operation during the winter. Hopefully we will have our own rink in operation for the coming curling season.

The Gibbons Legion are again looking after the parade for the Agri-Fair to be held on June 16, 17 and 18 and all organizations and businesses will be contacted for floats or whatever. Kids bring your bicycles and horses and lets make this a parade to remember. Some bands have been contacted but if you have a band you would like to take part please call us. Those on the parade committee are Jack Hogg, 923-2164; Tim Yeo, 923-2834 and Earl Yeo 923-3323. Watch future papers for more information.

LIONS' BIRTHDAY CALENDAR

The Gibbons Lions Birthday and Anniversary Calendar is in the final stages of preparation. Families living in town will be contacted by a Lions representative for any new listings or changes in listings. Rural families which were in the 1977-78 calendar will be contacted by phone. If you are new to the rural area and would like to have your birthday and anniversary listing included, contact Lions Len or Morley at 923-3326 or 923-2839 respectively. Cost per family, including birthday, anniversary and calendar is \$2.50. This includes listings for all members of a family living at each residence. The Gibbons Lions Club would like to express their appreciation for your support.

Our thanks and appreciation are extended to Carol and Marcel Rivet for opening their home and supplying us

with a "hayride." The weather and great turnout added to the success of the day. A note of appreciation is also extended to parents who gave their assistance and the catechism teachers who were on hand to see that things ran smoothly.

April 11 is the meeting for

parents involved in the Confirmation ceremony. This meeting is to be held at the Sacred Heart Parish at 7:30 p.m.

On April 16 a tour of the St. Joseph's Seminary is organized for the teen classes of the Sacred Heart Parish. This includes both

boys and girls ... Bon Accord and Gibbons. Persons going should meet at the Bon Accord School at 8:30 a.m. as the tour will start at 9:30 a.m. We need your support as the ingredient to make this a successful event.

Bon Accord News

By Sadie Allen

The Bon Accord Wildcats senior hockey club will hold their wind-up banquet and dance in the Community Centre on Saturday, April 15. Tickets are \$15 per couple and may be picked up at the Village Superette, Bon Accord Meats or from Tom Carleton. Music is by the Rita Direction.

A thank you is extended to Roger Ruland and his helpers from Moccasin Flats who ran the bingos for the past eight weeks. Bingos are now being conducted by the Golden Gems. The jackpot is now \$475 in 49 numbers. Winner of the consolation was Lynda Johnson. The first bonanza was shared by Mary and Emilie Prodaniuk of Redwater, the second by Brenda Lewis and Edie Adams. Your attendance at the Sunday night bingos is greatly appreciated by the Community Centre Board. Come and bring a friend.

Congratulations are extended to Larry and Nancy Keown on the occasion of their marriage on March 8.

A reminder to anyone wishing to attend the Ladies Community Club outing - reservations will not be accepted after Friday, April 14. If interested in attending, call Rita Milligan, 921-2383 no later than this Friday.

AMBULANCE AUCTION

The auction sale being held to raise money for the Ambulance Emergency Service definitely slated for vice is definitely slated for Sunday, May 7. The sale will be conducted from the Bon Accord Arena with Wes Spencer Auctioneering Services in charge. Anyone wishing to sell articles may do so on a commission basis. For information re. the sale, contact Lynda Bland at 921-2374.

Evening classes for the new First Aid Emergency course will be held on Wednesdays and Thursdays and will continue for four weeks.

The Farmers' Curling League held their wind-up at Lancaster Park curling rink on Wednesday, April 5. Eight rinks took part in a round-robin playoff with Al Kelly's rink copping off the trophy with 64 points. Congratulations to Al and his rink.

FARMERS' MARKET

A tentative date for the first Farmers' Market is Wednesday, May 17. There will be two Markets held in May with bedding plants and perennials featured. Make sure to save your plant

buying for the market. Plants offered for sale are of super quality and good prices are featured. Anything made or grown may be sold at the Farmers' Market. Anyone interested in having a table may contact Pat Reichle at 921-3535. Our Farmers' Markets provide a most worthwhile service, both from the seller's and buyer's viewpoints. Held on Wednesday evenings, they provide an opportunity for socializing with friends and neighbours enjoying a snack and picking up your weekly supply of fresh vegetables and many other items, including home baking and more than reasonable prices. Now is the time to talk Farmers' Market with anyone you meet. The best advertising is by word of mouth!

BON ACCORD ART CLUB NEWS

Mr. Alfred Schmidt, assistant professor, Department of Extension, University of Alberta will visit Bon Accord art Club on Thursday, April 20 at 6 p.m. to evaluate work done in the Life Drawing Course over the past winter. He will be accompanied by Gisela Felsberg, Course instructor.

Following the evaluation a display of work will be open to the public between 8 and 10 p.m. at the Bon Accord School. The display will include portrait and figure drawings. The figure drawings in various media will

comprise draped and nude models. Please plan to attend. Coffee will be served.

April 9 Sister Lara visited our Catechism classes. This was the first opportunity the children had in meeting a member of our catechetical team. Thank you Sister Lara for setting time aside to share a morning with us.

Our thanks and appreciation are extended to Carol and Marcel Rivet for opening their home and supplying us with a "hayride." The weather and great turnout added to the success of the day. A note of appreciation is also extended to parents who gave their assistance and the catechism teachers who were on hand to see that things ran smoothly.

April 11 is the meeting for parents involved in the Confirmation ceremony. This meeting is to be held at the Sacred Heart Parish at 7:30 p.m.

On April 16 a tour of the St. Joseph's Seminary is organized for the teen classes of the Sacred Heart Parish. This includes both boys and girls ... Bon Accord and Gibbons. Persons going should meet at the Bon Accord School at 8:30 a.m. as the tour will start at 9:30 a.m. We need your support as the ingredient to make this a successful event.

Village of Bon Accord News

DEVELOPMENT

Now that Spring is here it is expected that some residents will be planning to construct garages and other improvements to their property. Residents are asked to contact the Village office for regulations regarding garage placement and for the necessary permit. Any remodelling either inside or outside a building valued at \$250 or more also requires a development permit.

If you are planning to build a fence we recommend contacting the office first. No permit is required but compliance with height regulations set out in the Zoning Bylaw will avoid inconvenience and expense in making changes at a later date.

PITCH IN '78

May 8 - 14 has been designated as Clean-up week for the Province of Alberta. Residents are asked to get behind this campaign as soon as weather permits and make every effort to remove all strewn garbage from their property.

It is hoped that once again the students of Bon Accord School will assist the village in a general clean-up of all

public areas - streets, lanes, parks and boulevards. Garbage bags have been supplied, free of charge by Outdoors Unlittered for use in connection with this project.

Alberta Environment has also offered assistance once again in removing derelict vehicles and other forms of scrap metal that have been abandoned. Please call the office if help is needed in this regard.

DOGS

Dog problems have been on the increase in the past few weeks and complaints have been numerous. If dog owners would abide by the following rules the situation would be improved:

1. No dog owner shall permit his dog to run at large. This means off the premises of its owner and not on a leash held by a person able to control the dog.

2. A female dog in heat shall be confined in the residence of its owner.

3. No owner shall permit his dog to bark or howl excessively so as to disturb the quiet of neighbours.

The co-operation of all dog owners would be appreciated.

LEARN TO SEW

Pictured above on the left is Marnie Abell, instructor for the Learn To Sew course, fitting one of the participants with a garment that has almost been completed. This course was held in the Arts Room of the Gibbons School with 11 people registered in this course. Many of these students are looking forward to taking the Denim Sew Course which will be offered in early May. To register, phone Kathryn Toane at 923-2382 or Charlotte McLean at 923-2186.

Air Cadets on Parade

#524 Sturgeon Air Cadets

At the regular meeting on Tuesday evening, April 4, the squadron was able to hear several talks on law and law enforcement.

Among the speakers were Fr. Eshpeter, a parole officer, and Ian MacInnes, who is with the Law Enforcement Division of the Alberta Solicitor-General's Department.

He talked about methods of crime prevention, and in particular, "Operation Identification" where articles of value are marked so that if they are lost or stolen, the police may trace the owners quickly, should the articles be found.

It seems ironic that while the cadets were learning about crime prevention and some of the results of crime, a few of this area's less desirable elements were amusing themselves by slashing Mr. MacInnes' front tires.

On Wednesday evening the squadron was bused to the International Airport where they toured the Wardair hangar, maintenance and supply areas, and then were shown over the 747 with explanations of its "workings," capacity, and capabilities.

Cadets were able to visit the control tower where radar was explained to them and also the duties and responsibilities of the air traffic controllers.

The meteorology office was shown to the cadets as they learned how important weather forecasting is to the safe operation of aircraft.

The long bus trip home was interrupted by a hijacking! Two of the corporals wanted to go to Cuba, but as good cadets should, they asked for permission from their CO, who agreed to the plan with the condition that the destination be changed to Bon Accord. No casualties were reported.

On Saturday morning, the senior cadets, who had been learning to pack parachutes, had a very short demonstration of jumps from the training tower at Griesbach.

The day was so windy that conditions were unsafe.

On Sunday afternoon those cadets who were able to go to Nampoo participated in swimming and scuba training in the pool there. These sessions have been held every second Sunday for the past few months.

Upcoming Events: Sunday, April 16 - Bake Shoot in the Bon Accord Community Centre from 1 - 5 p.m.

Magic in Gibbons

BE SURE TO READ THIS OR YOU MIGHT DISAPPEAR!

By Karen Hogg

Last Thursday night I had a very different interview assignment. I interviewed Danny Tremayne, Gibbons very own Magician! What a talented person this man is, and one that cannot go anywhere without a deck of cards or some other magic trick up his sleeve. Danny is 35 years old and married to Mary Ann of North Battleford, Saskatchewan. The Tremaynes are expecting their second child this summer. Their little 3 1/2 year old daughter Fawne is the youngest magician in the world and performs some of her own tricks during daddy's shows.

Danny has a list of accomplishments that I am sure very few people could tell about. He has been into Yoga all of his life and holds the title of Guru, and would be more than willing to help anyone interested. Twenty-four years of hard and vigorous training made Danny a master in the art of Kung Fu. Incidentally, during the interview he sat in the Lotus position, I believe, and also demonstrated a few techniques in the art of Kung Fu, plus did as many card effects as time would allow or whenever there was a gap in the conversation. He began boxing at the age of 10, devoted 10 years to the study of the supernatural and is also a hypnotist, and would

you believe there is still more! Art work is one of Danny's very special talents. He paints abstracts, paintings of supernatural content, draws cartoon characters with pencils or charcoals and is truly very advanced in this area. Looking at his excellent art work makes you think he should have been a cartoonist or designer of some sort. He also sells his work. Danny got his meat cutters certificate, but did not enjoy the job, carves wood, a basket weaver, puppet maker and also little Fawne's own furniture designer and maker! He also designed and sewed his magician's costume.

The Tremaynes have been living in Gibbons in the trailer park for almost a year. Danny has his own magician's show and has entertained at all of the hospitals in Edmonton, numerous schools and at Swaperama. He never goes anywhere in Gibbons that the kids don't call him the Magician Man and want to see some tricks. This he enjoys very much because of the reactions on the kids' faces.

Becoming a magician involves a key phrase which is practise makes perfect. He reading books, talking to other magicians and visiting the magic shop Danny was able to pick up some useful information. The effects are easy to learn but take so much practise to make them look the way they are supposed to. He buys all of his magic equipment at Will-

ard's House of Magic, and entertains at banquets, birthday parties, Christmas parties or any occasion parties.

On May 27 in the Gibbons Community Hall he will be giving a show at 8 p.m. The fee is adults \$2.25, children \$1.25. Here are some of the acts you will be sure to see when you attend this show: slicing a banana by using the energy force around his bare hand; Fawne will have swords penetrate her body; Several card effects; Illusions: Water will never cease to flow; Lots of audience participation; Door prizes.

All of this and more are to be included in a 1 1/2 hour show. Magic effects will be sold after the show with full instructions included. Anyone having trouble with their effect can get a hold of

DANNY TREMOYNE
MAGICIAN

Danny and he will assist you in mastering your effect. I enjoyed talking to this couple very much and wish them every success in his coming up show. I am sure the hall is going to be packed!

PUBLIC NOTICE

Village of Bon Accord

(Section 311 of The Municipal Government Act)

TAKE NOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to money Bylaw No. 107 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of Purchasing Lots 9 & 10, Block 5, Plan 5261 BA within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$40,000.00. The full amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$40,000.00. The debentures are to be repayable to the bearer in twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than eleven per centum (11%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Village of Bon Accord that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary electors is -

- A person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence

Fifteen percent (15%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- the postal address of the petitioner,
- the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is April 12, 1978.

INSTRUCTORS AND POTENTIAL INSTRUCTORS WORKSHOP

Sturgeon Regional Recreation is sponsoring "All

Things Bright and Beautiful" skills workshop on April 24, 25 and 26 in Morinville. Crafts taught will be Fantastic Faces and Other Toys, Fibres in The Round and Soft Leather Ideas. The instructor for this workshop is Linda MacPhee. For more information and to register, phone 939-4317.

BABYSITTERS SAFETY COURSE

Graduates of the Babysitters Safety Course at Evergreen Mobile Home Park are Danny Branchflower, Leslie Boman, Lorrie Schultz, Lisa Miller, Kevin Pooke, Robert Wall, Darren Berg, Kris Arvidson and Debbie Rurka. Through the seven week course the participants covered a number of topics, which included the Ethics of Babysitting, Child Care, Fire, First Aid and Safety. Congratulations to all students who successfully completed the course and a special thank you to the course leader, Mrs. Mary Rowswell.

FIRST PRODUCTION FOR DRAMA CLUB

The Sturgeon Theatre Association, a newly formed society presently meeting Thursday nights (7:30 p.m.) in the convent in Morinville, is making plans and preparations for a late spring production of the Neil Simon comedy, The Good Doctor.

Paul E. Johnson, cultural co-ordinator for the Sturgeon region, has been piloting the group through many introductory acting and production skill exercises, which generally prove to be a lot of fun. Emphasis is put on making the meetings, exercises and rehearsals enjoyable for all involved. This group is open to the public and they are eager to have new members. Why not come out and see what's going on? For more information, phone Paul at 939-4317.

NOTE: The Sturgeon Minor Baseball meeting set for April 17, 1978, 7:30 p.m. at Sturgeon Regional Recreation office has been changed to the Municipal District Building. The meeting will be held downstairs in the conference room, same date and time.

By Marguerite Neufeld

There is a green blush on brown lawns and eager gardeners are scratching tentatively at flower beds with one eye on the thermometer and one on the barometer. Yards are being tidied and raked. The Redwater Library has lots of new books to satisfy the horticulturist appetite and the handyman. There are books on gardening, home improvement, fence building and for indoors during inclement weather, there are books for wallpapering, painting and house plant care. One highly recommended book is House Plants by Doris Hirsch, an encyclopedia guide to the successful cultivation of over 1,100 plants for any interior environment.

THE DEADLINE is April 14 for tickets for the fashion show to be held April 20 - 7:30 p.m. at the Multiplex. Tickets are \$7.50 per adult

and \$5 per student, and can be purchased from any Lionette or by phoning 735-3991 after 6 p.m.

IT'S CASINO NIGHT April 14 in Redwater, 7 to 12 p.m. The cabaret will be held from 9:30 p.m. to 1:30 a.m. The \$5 entrance fee covers the casino, cabaret and midnight lunch, and is sponsored by

the Lions.

Canadian Cancer Society is canvassing for funds. Please donate generously. Every family in Redwater has been touched by this dread disease.

Redwater Legion Auxiliary meeting will be held Monday, April 17 at 8 p.m.,

followed by a social evening.

Every Friday night is social evening at the Redwater Legion.

United Church Women of Redwater are holding their Spring Tea and Bake Sale on May 10 - Wednesday, from 2 to 4:30 p.m. in the Church Hall. Everyone is welcome.

Church Schedule

ROMAN CATHOLIC

Mass will be held at 9 p.m. Saturday and 9:30 a.m. Sunday. Fr. W. Irwin is pastor and can be reached by phoning 735-3541 and in Edmonton 426-5515 and 429-2489.

ANGLICAN

St. Mary's Anglican Ch-

urch service is held at 3 p.m. every day in the Catholic Church. Rev. McKnight officiating. Phone 476-5715.

UNITED

United Church, 5111 - 51 Street has services in Redwater every Sunday 9:30 a.m. and in Coronado - 11 a.m. On April 16 and 30, services will be held in Abee at 9:45 a.m., and at Thorhild 1:15 a.m. Rev. S. Vincent is pastor and he can be reached at 735-3675 or at his residence 735-3411.

EVANGELICAL

Redwater Evangelical Church at 4703 - 47 Avenue will have Sunday School at 10 a.m. and Sunday service at 11:05 a.m. Pastor Rev. Merritt can be reached at the church 735-3013 or his residence 961-2371.

ORTHODOX

There will be no service at the Ukrainian Orthodox Church in Redwater.

Redwater Sports

By James Neufeld
HOCKEY

honors.

Another year of hockey and curling over in Redwater.

A bantam tournament was held in Josephburg on Saturday. Four teams competed for top honors. Redwater only played against two of these teams, Josephburg and Fulton. The game against Fulton they won with a handy score of 7 to 4. But they were not so fortunate in the game against Josephburg, losing 7 to 3. In the overall tournament, Josephburg took top

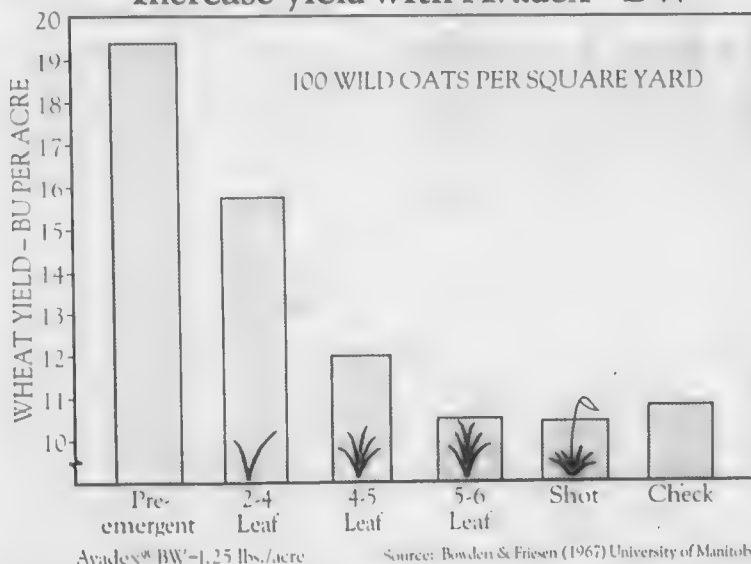

BASEBALL

The baseball season is open again this year in Redwater. Any boys aged 14 or 15 interested in baseball, please phone Sam Korpesio, at 735-3833. Or sign up in the Redwater school on the main billboard. The deadline is Friday, April 14.

CAN YOU REALLY AFFORD TO GIVE WILD OATS A HEAD START?

Pre-emergent Avadex® BW controls wild oats before they steal moisture and nutrients from your crop.

Increase yield with Avadex® BW

As you can see, there's a lot to be gained by controlling wild oats before they break ground. And pre-emergent Avadex® BW herbicide by Monsanto does just that. Avadex BW is absorbed directly by young wild oat shoots, before they get a chance to do their worst damage.

Bear in mind, too, that post-emergent treatments must be made at a certain wild oat leaf stage, which can be tricky in bad weather.

30% more wheat* with Avadex BW

In a wide variety of test plot studies, wild oat infested crops treated with pre-emergent Avadex BW yielded 30% more wheat on the average than untreated fields. This is due to an impressive 90% + rate of control - effective, early-season control.

Get the jump on wild oats in 7 crops.

Pre-emergent Avadex BW is just as effective in barley, flax, rapeseed, dry peas, sugarbeets and mustard as it is in wheat.

*Actual results may vary depending on use conditions

Just incorporate liquid Avadex BW immediately after spraying. And to check for results, use an untreated check strip, or dig up the evidence of dead or dying wild oat shoots from a treated strip.

You'll find that without a head start, wild oats can be a lot less successful at robbing your yields. Always read and follow the label directions for Avadex BW.

THE VITAL STATISTICS

determine your future happiness in your home. The size of your family is all-important. So is the cost of the house in terms of payments you must meet. Maintenance costs are another consideration.

It's our business to know all the financial ins and outs of home ownership--and to help folks with any facts they need. So why not sit down and get started? Let's have a frank talk, and find you the right home.
